

PARENT UPDATE

Plans for the resumption of Co-curricular Activities in Term 3

The life of KWS has been noticeably quieter this term without the usual bustle of co-curricular activities. As per earlier communication from Dr Parry, we have been busily planning the reintroduction of our co-curricular programs for Term 3. Whilst we will have a slightly altered program as well as additional protective measures in place to manage the safety of our community, we are so pleased to be resuming the majority of our co-curricular programs next term. Details are as follows:

Sport

You may by now have received communication regarding the School's decision not to participate in our regular external Winter season competitions for Rugby, Netball, Football and Hockey. Our MICs have been planning our internal Winter sports program for these major sports. On training days, students will be permitted to attend School in their PE uniform as changerooms will not be in use. At this stage final details are still to be confirmed, however, the program will consist of the following:

Sport	Venue	Training	Games
Netball	KWS Courts and Gym	2 x Training sessions each week Tuesday/Thursday afternoons	Saturday morning game at KWS netball courts
Football	KWS and PLC	2 x Training sessions each week Tuesday/Thursday afternoons	Saturday morning game at PLC or Ex-students
Rugby	KWS	2 x Training sessions each week Tuesday/Thursday or Monday/Wednesday	Saturday morning game at KWS grounds
Hockey	KWS and OHI for some training sessions	1 x Training session each week Tuesday or Thursday afternoon	Friday evening or Saturday morning game - this will change throughout the season for each team
Pedal Prix	KWS Velodrome and Gosling Creek	2 x Training sessions each week Tuesday and Thursday Saturday morning at the Velodrome or Gosling Creek	
Fitness (Previously Crossfit)	KWS Blue Room and Gym	3 x Sessions each week Tuesday / Thursday afternoon Saturday morning	
Swimming	KWS Pool	Staged approach with Senior School squad swimmers commencing first	

Students who are not intending on participating in the internal sport competition should have applied for an exemption. This includes those students who have indicated they have individually entered a club competition. If you have any questions about the sport program please contact the MIC for your sport, or Mr Priest.

Cadets

There will be no Cadet home training during Term 3 for Year 7 and 8 students. Students in Years 9-11 who have elected to participate in the promotions course will undertake their promotions training throughout the term on Monday and Wednesday afternoons. Some lessons will be delivered online for students involved in Performing Arts activities on these days. Students who are intending to participate in the promotions course need to register their interest via the form on FROG.

All students who are not continuing with the Cadet program in Years 9-12 will need to ensure that they return all uniform and equipment to the Q-Store before the end of Term 2.

Information about the Term 4 program for Years 7 and 8 students will be shared later in Term 3.

Performing Arts

Whilst many of our students have been keeping up with their instrumental lessons online during this term, there have been many challenges to overcome in adapting to a different platform for lessons. We are very glad to say that our instrumental staff will once again be back on campus delivering lessons face-to-face from the beginning of Term 3. Families will be contacted by instrumental tutors with information about the resumption of their lessons. If you have any questions about these lessons please contact Mrs McRae.

We will be implementing a staged return to our Performing Arts Ensembles from the beginning of Term 3, with some groups beginning with sectional rehearsals before moving back to whole group sessions. Mrs Shields will email specific information for each group including details of when and where groups will be resuming rehearsals.

We are all looking forward to the hallways of the Music Centre being filled with wonderful ensemble music once again.

B2SS and Homework Club

The Back to School Study program was implemented this term to provide additional academic support for students as we transitioned back to full-time face-to-face learning. This program will conclude this Thursday 25 June.

Homework club and Senior Study will be resuming at the beginning of Term 3 with regular scheduling. If you have any questions about these programs, please contact Mrs Lewis.

Important contacts

General Co-curricular queries:

Mrs Susan Adams - sadams@kws.nsw.edu.au
