### NOTICE OF Tdap BOOSTER NEEDED for All 7<sup>th</sup> Graders

Student's name \_\_\_\_\_

Grade 7

School name \_\_\_\_\_

Birthdate \_\_\_\_\_

Dear Parent/Guardian:

- New California law, requires students to be immunized against Whooping Cough (Pertussis)\*.
- This requirement can be met by receiving one dose of Tdap vaccine on or after the 7<sup>th</sup> birthday.

All 7<sup>th</sup> grade students must submit proof of Tdap immunization

### Students who do not comply with this requirement

Will be placed on a conditional list for 10 days and then EXCLUSION will be necessary.

Please sent your records in or contact the health office to inform us of your plans to comply with this requirement.

|                                                                                                                                                                                                                                              |                                 |                                       |
