## Founder's Day Concert 2020

---

Saturday 27 June

Dulwich College Music Department  
Director of Music Richard Mayo

# Welcome from the Director of Music

---

I am delighted to be able to welcome you to the Founder's Day Concert 2020. This occasion is always particularly special to the College and no more so than Summer 2020 when we have been through a period of extraordinary circumstances. The boys and staff who have contributed to this concert have done so with exceptional dedication to their Music here at the College. A special mention must be made of Mr Isa Khan, our Music Technology and Production specialist. Our choirs and instrumental ensembles have benefitted enormously from his brilliant work producing recorded performances and concerts throughout the term. I am especially proud of all these musical achievements and very much hope you enjoy the concert.
