“

Calendar

”

An intersessional calendar provides flexibility & addresses learning loss

An **Intersessional Calendar** includes longer breaks dispersed throughout the year that provide flexibility

What the change could look like:

- Earlier start date, long Winter Break and longer other breaks, and a later end date
- Built in remote learning time and staggered in-person attendance
- Recommended six weeks of intersessional breaks in addition to regular calendar that can be used for:
 - Remediation, acceleration, or enrichment
 - Breaks required due to resurgence of COVID-19
 - Bad weather make up days

Comal ISD sticking to their calendar for next year despite new guidance from TEA

The Texas Education Agency's suggestions include an earlier start date, later end date, longer winter break and other long vacations.

UPDATED: Round Rock ISD Superintendent: No plans to start 2020-21 academic year early

Round Rock ISD plans to start the 2020-21 academic year on Aug. 20 and follow the originally-approved school calendar at this time. (Courtesy Adobe Stock)

Safety & Security

\$100,000,000 has been appointed to the TEA to provide funding to public schools for: 1) exterior bars with push bars; 2) metal detectors at school entrances; 3) vehicle barriers; 4) security systems that monitor and record school entrances, exits, and hallways; 5) campus-wide active shooter alarms systems; 6) two-way radio systems; 7) bullet resistant film for school entrances; and 9) door-locking systems.

- Midlothian ISD allotment: \$151,923.00
- A needs assessment was conducted by School Safety and Security Director Lt. Tim Hicks to determine the most critical campus needs related to the TEA School Safety Grant.
- Lt. Hicks collected data from all district campuses related to the safety measures already in place and then prioritized the safety measures available from the school safety grant.

The Safety and Security Committee approved the following safety measures in November 2019 to be included in the TEA School Safety Grant:

- Metal Detector for the DAEP Campus; and
- Install bullet-resistant film at main entrances: MHS, MHHS, Walnut Grove Middle School, Frank Seale Middle School, Mt. Peak, LaRue Miller, Baxter, Vitovsky, Longbranch, and McClatchey Elementary. (*The film will be Ultra 800 + 4 side IPA*)
- Install bullet-resistant film at cafeteria windows: MHS, MHHS, Walnut Grove Middle School, LaRue Miller, McClatchey, Vitovsky, Mt. Peak, Longbranch. (*The film will be TriShield*)

Safety & Security

Midlothian ISD has added an Infectious Disease Annex to the Emergency Operations Plan due to the recent COVID-19 Pandemic.

- Provide standardized guidance in the response to the onset and spread of an infectious/communicable disease
- Coordinate response with local/state health authorities
- Coordinate response with local first responders
- Coordinate with environmental services for any decontamination services
- Provides general information on Pandemic Communicable Disease Events

Safety & Security

Midlothian ISD has added the Raptor Emergency Response Software to assist with the following:

- Provides access to facility maps and emergency procedures
- Expedite parent-student reunification using best practices and protocols (*mobile devices to verify identity, record signatures, and timestamp data*)
- Simplify drill scheduling, drill management, and compliance tracking
- Phone app providing quick access for all staff members
- Provide precise post-incident reporting
- Confirm status of students/facility in real-time

Safety & Security

North Central Texas Emergency Communications District (NCT911) has partnered with MISD for 3D mapping of all campus/facilities exterior:

- Drone footage used collects photo imaging and GPS data to create exterior 3D mapping
- Adds Z-axis (altitude)
- Assists first responders during emergency incidents
- Assists with construction/maintenance projects
