

2020-2021 Upper School Book Orders

Textbooks for classes will be supplied for all students when school starts in August. The Upper School will rent all textbooks to students for classes at a substantially lower cost than purchasing by each family. Students will now have the correct version of each text, novel or workbook from the first day of school.

Family accounts will be billed in November for all materials ordered by the school.

Billing will include workbooks, novels, rental texts and online resources. Billing for lost or damaged books will be processed at the end of the school year.

Novels have been ordered by the Upper School English Department and will be distributed to students in class as needed.

Supply List for Upper School

All students are expected to purchase a **TI-nSpire CX Graphing Calculator by Texas Instruments.**

Notebooks and paper supplies are required for each class. If there is a question about materials needed, please email the instructor directly.

All US Students will use the Chromebook ordered from the school and must have an *Acceptable Use Policy* signed and turned in.

Use of personal computers in our classrooms is discouraged, as we cannot ensure their repair or compatibility to instruction in each class.

A Chromebook Warranty can be purchased each year for \$40.

Lockers in the Upper School

Each student will be issued a locker for their use. The locker is to be kept clean and free of food, drinks, etc. No marking or decorating of the outside of the locker is allowed. All lockers will be periodically inspected to ensure that they are clean and empty of perishable items.
