

# Coulter Grove Intermediate School

## School Protocols for 2020-2021

**MCS/CGIS Priorities:** Limit interactions; Clean & Disinfect; Conduct Regular Health Checks; Train Staff; Limit Visitors; Limit Sharing

### HEALTH & HYGIENE

- Training, establish procedures and reminders for all staff & students
- Daily health checks for all students & staff upon arrival to school
- Hand sanitation stations available throughout the school
- Thermometers available and accessible to staff throughout the school
- Masks/Face Coverings for Staff- Masks/Face Shield will be provided. Will wear ...when working in close proximity; when participating in health screenings; during high traffic transitions; during Arrival & Dismissal Duty
- Masks/Face Coverings for Students- Masks will be provided. Recommended to wear on school bus, arrival on campus, dismissal, during high traffic transitions & in mixed cohort classes (Encore)

### FACILITIES & ROUTINES

- Follow guidelines on large group assemblies
- No water fountain use except for filling water bottles
- Additional personnel to maintain building cleanliness and disinfecting
- "Arrive Clean, Leave Clean" philosophy deployed
- Recess/House Time by classroom cohorts in rotating locations

### BUS TRANSPORTATION

- Additional cleaning & sanitizing procedures
- Student masks recommended
- Field trips will be limited and on a case-by-case basis
- Virtual field trips encourages

### CAFETERIA PROCEDURES

- Thorough hand washing practiced
- Frontline cafeteria staff and cafe monitors wear masks at all times
- Staggered lunch periods and seating by classroom cohorts
- One directional pathways through line, to seating and to transition
- Busing trays, trash, silverware by classroom cohort
- No-touch system in place to check out/process meal transactions
- Cleaning and disinfecting between groups

### HEALTH CLINIC

- Fully staffed & have isolation space available
- Minor, typical clinic cases handled in classroom
- Individuals with monitored symptoms and/or temperature over 100.4 will be isolated with a mask and monitored until parents arrive
- Clinic staff will wear face coverings
- Clinic thoroughly cleaned daily and throughout the day as needed

### CAMPUS VISITORS

- Only essential visitors admitted into school without invitation
- Parent/Guest lunch visits not allowed
- Use of facilities by outside groups will be limited

### DIGITAL LEARNING

- Option available to all students (Select via survey on 7/9; Classes start on 8/10).
- Daily schedule and interactions are required.
- Digital Learning handbook will be made available.

As the need lessens, these protocols will adjust or expire, allowing programs and procedures to return to normal.
