Want to advance your skills to be an inspector of your own department or school?

Learn more at the **Penta Level 2 - Inspection Accreditation** course.

This 3-day, assessed course is the 2nd of 3 stages of training to be an inspector. In the course you will learn about the BSO Inspection System; what it is for, and how it works. You will learn how to write a school report, and review the best way to assess teaching and learning.

This course is delivered by Penta International. Penta International is one of the leading independent providers of training, consultancy and inspection services in the United Kingdom and overseas.

Please note: successful completion of Level 1 is required before attending Level 2.
