STUDENT SURVEY

Taking the unique emergency circumstances into account, please rate your level of agreement with the following statements.

What has been most helpful to you while learning remotely?

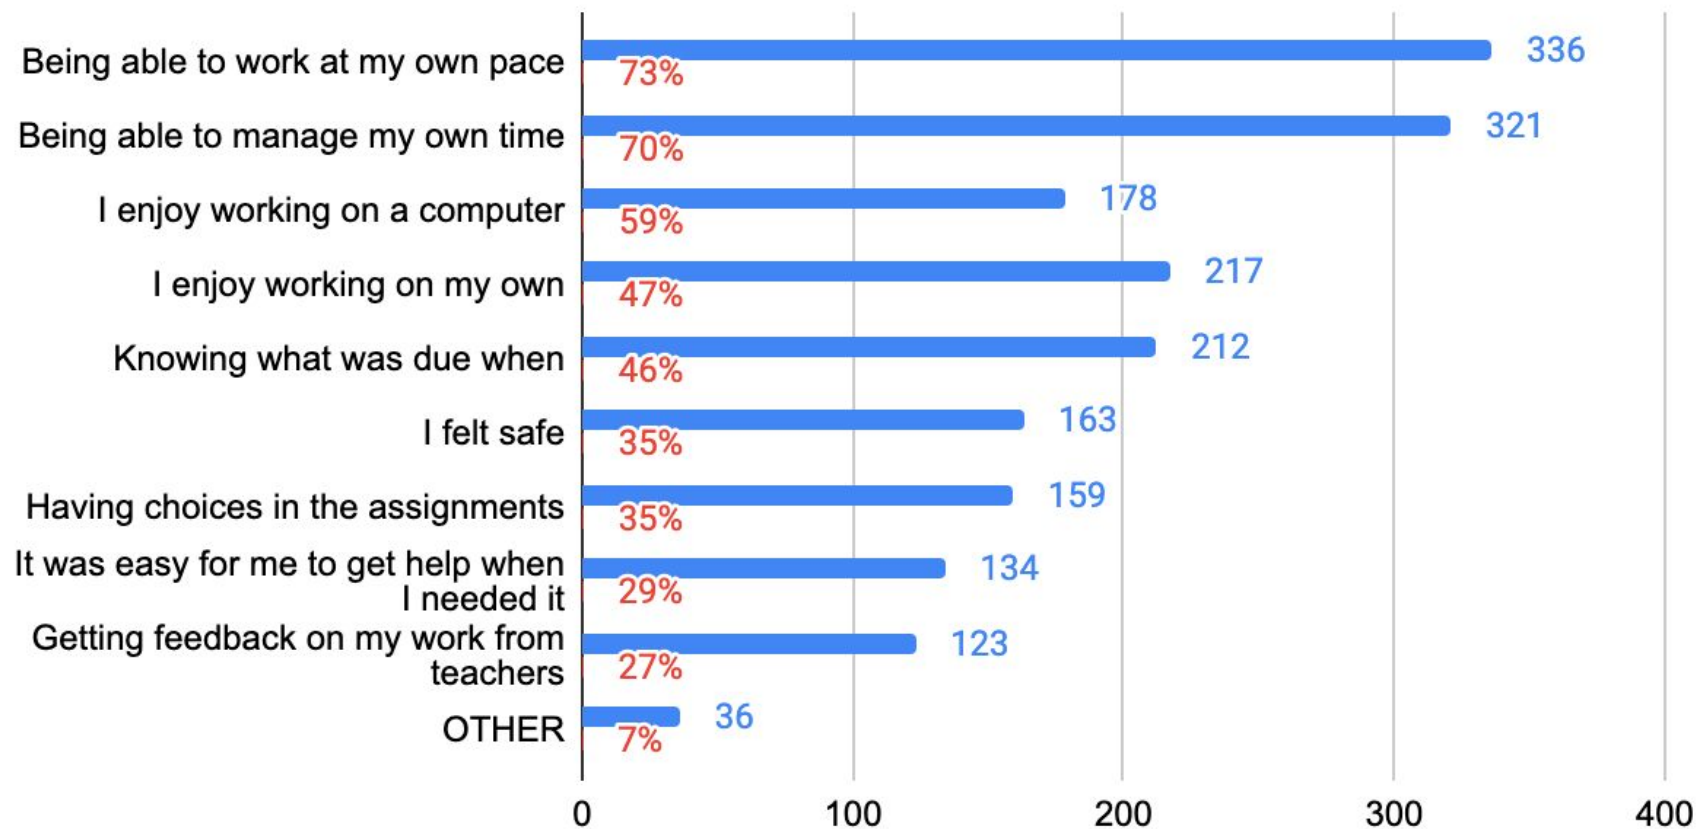

**What has been most helpful to you while learning remotely?
(check all that apply)**

The percentage indicates the percentage of the total respondents who selected that response (e.g. 87 of 470 selected “Office hours with teachers” which is 19.2% of the total respondents). Because respondents could select more than one response the percent column does not equal 100%.

Selected Responses:	#	%
Office hours with teachers	87	19.2
One-on-one Zoom/Google Meetings with my teacher	116	25.6
Zoom / Google Meet classes	181	39.9
Emails from teachers	289	63.7
Information in Google Classroom	284	62.6
Information posted on the school website	61	13.4
Instructional videos my teacher made or sent to me	195	43
OTHER: <ul style="list-style-type: none"> ● Parents (7) ● Teachers (5) ● Didn't need help (4) ● Nothing helped (4) ● Flexible time (work at my own time, pace) (3) ● Small group Zoom meetings with teacher (2) ● Being able to talk with people ● Clear instructions ● Weekly checklists from teachers ● Home work environment 	39	7.8

What were some positive aspects for you about school during remote learning?

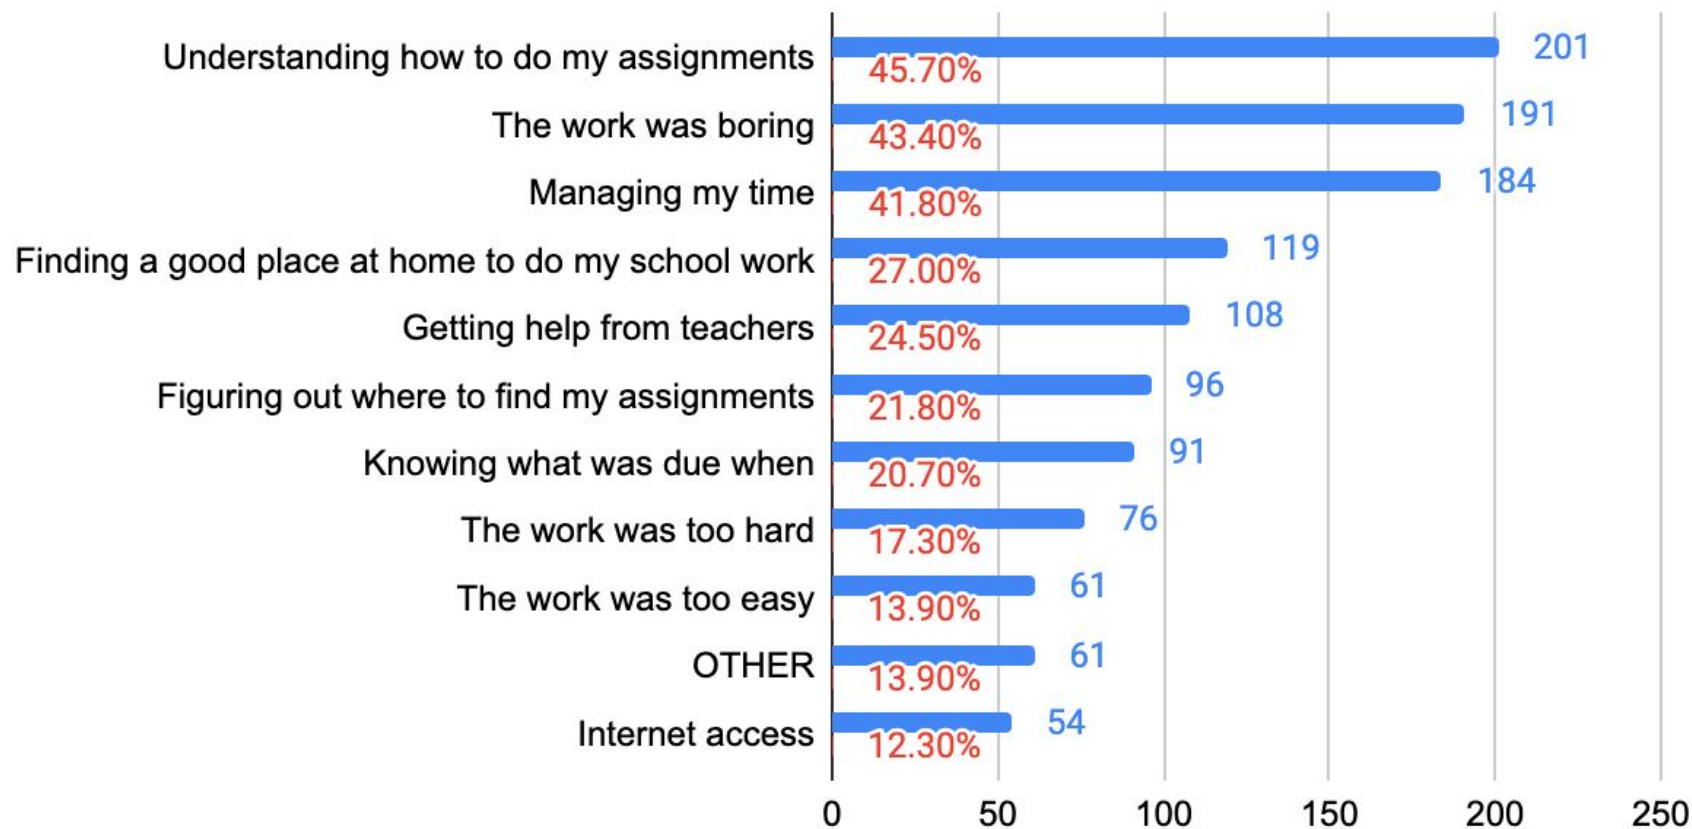

What were some positive aspects for you about school during remote learning? (select all that apply)

The percentage indicates the percentage of the total respondents who selected that response. Because respondents could select more than one response the percent column does not equal 100%.

Selected Responses:	#	%	OTHER: (number of respondents)
Being able to manage my own time	321	69.8	<ul style="list-style-type: none"> • No positives (10) • Being at home(quiet, time with family, get outside more) (9) • Flexible time (more sleep) (6) • No bullying (3) • More support • Email friends
Having choices in the assignments	159	34.6	
Knowing what was due when	212	46.1	
Being able to work at my own pace	336	73	
It was easy for me to get help when I needed it	134	29.1	
Getting feedback on my work from teachers	123	26.7	
I enjoy working on my own	217	47.2	
I enjoy working on a computer	178	58.7	
I felt safe	163	35.4	
OTHER	36	7.2	

What were the biggest challenges for you in completing your school work during remote learning?

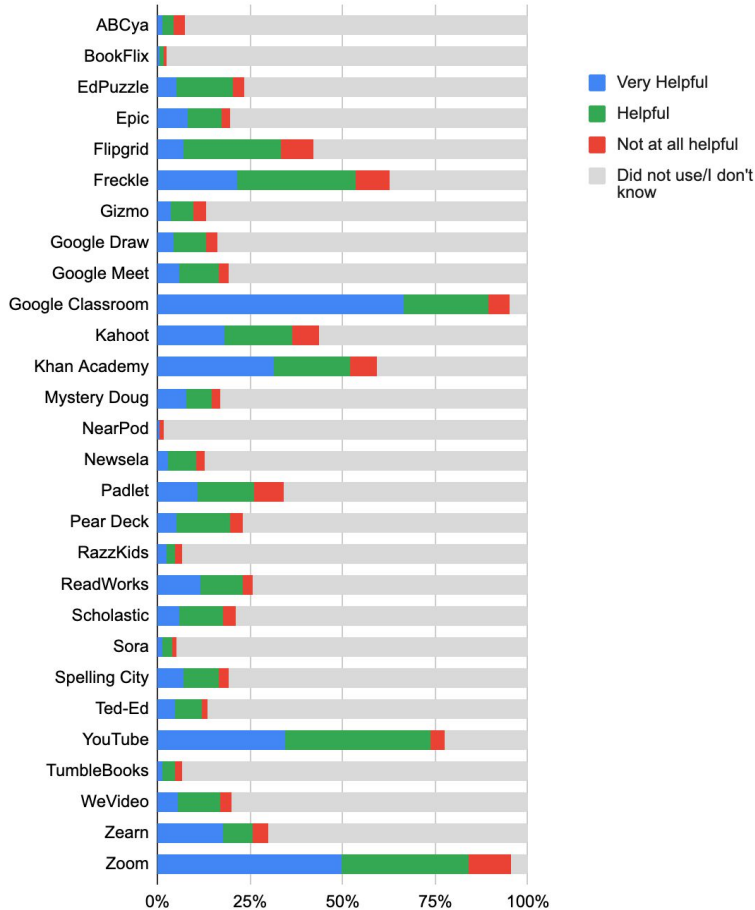

What were the biggest challenges for you in completing your school work during remote learning? (select all that apply)

The percentage indicates the percentage of the total respondents who selected that response. Because respondents could select more than one response the percent column does not equal 100%.

Selected Responses:	#	%	OTHER: (number of respondents)
Figuring out where to find my assignments	96	21.8	<ul style="list-style-type: none"> ● Motivation, concentration when at home (10) ● Teacher accessibility, clarity of expectations (8) ● Too much screen time, headaches (6) ● Missing friends, real conversations, school in general (6) ● Distractions, other demands when at home (6) ● Pressure, too much work (5) ● Not challenging, repetitious (5) ● Having to share a computer (2) ● Zoom connections (2)
Knowing what was due when	91	20.7	
Understanding how to do my assignments	201	45.7	
Managing my time	184	41.8	
Finding a good place at home to do my school work	119	27	
Getting help from teachers	108	24.5	
The work was too hard	76	17.3	
The work was too easy	61	13.9	
The work was boring	191	43.4	
Internet access	54	12.3	
OTHER	61	13.9	

TECHNOLOGY TOOLS

Please rate how helpful the following tools have been in your learning this spring.

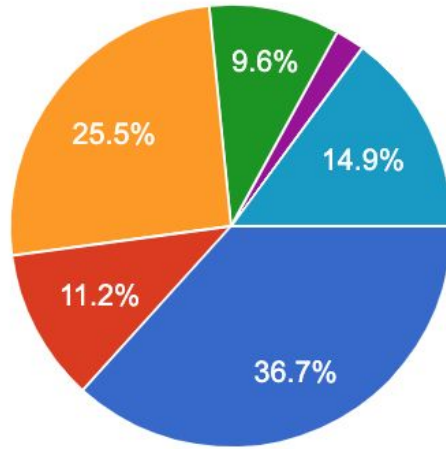

Top Tech. Tools:

Zoom
Google Classroom
YouTube
Freckle
Khan Academy
Flipgrid

Next Steps for COVID Team and Admin. Team

- Review and compare results for all surveys to inform planning and decisions
- Select district-wide tech. Platforms and tools for learning as needed/appropriate
- Plan differentiated professional learning and technology trainings to meet a range of needs
