

Dear Parents,

Imagine if McAuliffe could earn free money every time you buy something from Amazon.com... Well that can actually happen! AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. You can still take advantage of your Prime benefits (if you have them), access wish lists, carts and stored addresses, and apply any discounts or gift cards that you may have acquired. It is simple! All you need to do is:

On your first visit to AmazonSmile smile.amazon.com, you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. Choose **McAuliffe Middle School PTA!** Amazon will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation. AmazonSmile will occasionally contact you about donation amounts disbursed to your chosen charity or about the program.

If you have previously donated to another charity on AmazonSmile and would like to change your charity to McAuliffe, it's super easy! Yes, you can change your charity any time. Simply sign in to smile.amazon.com on your desktop or mobile phone browser and simply select "Change your Charity" in "Your Account" and type in **McAuliffe Middle School PTA!**

Every penny counts, and as of November 2019, McAuliffe has received \$616.28! Let's get that number doubled before winter break! Log on today and make **McAuliffe Middle School PTA** your charity of choice!
