

Careers E-Bulletin

Issue 4 – 2 June 2020

Welcome to our King's Careers E-Bulletin.

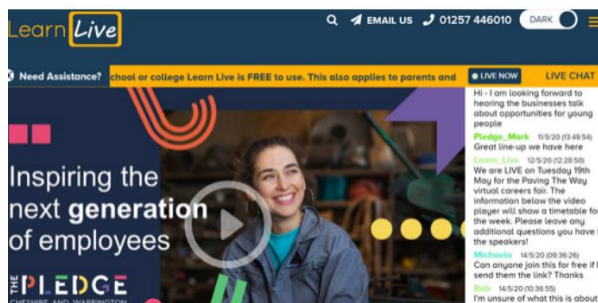

Y9 - Y13 Speakers' Club Thursday 4 June

We are looking forward to welcoming Alex Parker, from AstraZeneca, to talk about “Opportunities for scientists in the Pharmaceutical Industry”. Alex will look at what it takes to develop a medicine, some example careers and the kind of A-Level and Higher Education choices you might make to get there, apprenticeships and what a typical week as a scientist might look like. This will be a live talk using Teams and there will be the opportunity to ask any questions that you may have so please join us on Thursday 4 June 1.30pm-2pm. I will send out an email invite to pupils.

Y10 – Y12 Win a Work Experience Placement

As part of the recent Virtual Careers Festival a wide range of employers are offering pupils the chance to win a work experience placement. Experiences include digital marketing, graphic design, NHS and accountancy. I have emailed pupils with details of the opportunities available and how to apply. The deadline for applications is Monday 8 June at midday.

Y10 – Y13 Online Work Experience Internships

Operation Wallacea are offering a range of online tutored work experience opportunities for 15 -18 year olds over the summer holidays. Internships are available for pupils interested in science, business, marketing, communications and project management. They offer real world training with daily contact with scientists, marketing and expedition management experts. Take a look at the attached document for full details and instructions on how to book.

Y9 – Y13 Day In The Life Videos

All of the Day in the Life videos from the Virtual Careers Festival are now available at <https://learnliveuk.com/paving-the-way-virtual-careers-festival> - scroll down to the bottom and you'll find all of the videos on demand. They give a great insight into all sorts of careers from engineering to construction, to media and medicine.
