Welcome to our King's Careers E-Bulletin!

Y9 – Y13 Virtual Careers Festival

The Cheshire and Warrington Pledge's Virtual Careers Festival is now live. Take a look and register on the [Learn Live website](#) to access the event. Over 50 employers and business owners are taking part with the aim of helping you to explore and understand a wide variety of jobs and careers. Over 1000 pupils from the area have already registered!

The Festival will run until Friday but all resources will be available on the website for 12 months. Different industry sectors will broadcast live 'Day in the Life' videos, most just FIVE minutes long. There will also be a live chat room so you can engage with the employers.

On Tuesday you can hear from Construction & Engineering, Health & Social Care, Creative & Media and Agriculture & Food Production. On Wednesday you can hear from Manufacturing & Logistics, Digital & Technology, Finance & Law, Science, Self-Employment and Uniformed Services & Third Sector.

Thursday will offer an insight into higher education and Friday will provide activities to help with the application process.

There will be activities and prizes to win, including work experience placements. Good luck!

Y9 - Y13 Speakers' Club

We are delighted to welcome Alex Parker, from AstraZeneca, to talk about "Opportunities for scientists in the Pharmaceutical Industry". She will look at what it takes to develop a medicine, some example careers and the kind of A-Level and Higher Education choices you might make to get there, apprenticeships and what a typical week as a scientist might look like. The talk, which will be held remotely, will be on Thursday 4th June 1.30pm-2pm. Further details to follow.

Y7 – Y13 Apprenticeship Parent Pack

Y10 – Y13 Summer Internships

InvestIN Education have launched a series of [Live & Online Summer Internships](#) for students aged 15-18, in the following industries: *Medicine, Law, Investment Banking, Engineering, Psychology, Filmmaking, Computer Science, Architecture, Politics and Entrepreneurship*. These will take place in August and will be three days in length, with an optional fourth day 'Executive' option, which is dedicated solely to personalised career coaching. This is an opportunity for students to gain a 360-degree summer work experience in their dream career, from the comfort of their own home, by working with top professionals, participating in interactive simulations, networking sessions and more. You can get a 10% discount with the code: **KINGSMAC2019**

Y8 – 13 Unifrog careers search

During half term, try and spend a few minutes researching possible careers using the Unifrog Careers Library. Remember, you can search by career, subject, interest, personality type, theme or competency. You can find out what the job is really like and what skills and qualifications you'll need to get it. Take a look, you'll probably find jobs you've never heard of!
