BUS CONTRACT / BUS FEES 2020 / 2021

Thank you for enrolling your child/ren with the MIS School Bus Service. Our aim is to provide a service that ensures students are transported safely and efficiently to and from school. The service also helps reduce traffic congestion in and around the area. We work with selected bus company partners that have served the MIS community for a number of years to ensure that the best possible service is offered to you.

The transportation service of MIS is optional. As the school is a non-profit entity, the transportation fees are calculated to cover our costs. The cost of the service is dependent on the number of buses required to serve all routes and the number of users enrolled in the bus system.

The School receives subsidies from the Bavarian Government for the compulsory school attendance years 1-9, which may possibly be credited proportionately to the bus fee for these grade levels. These then pay only the reduced bus fee. Families with students in Early Childhood 4/5 and 5/6, and Grades 10-12 pay the regular fee.

A signed bus contract is legally binding for the entire school year, unless a lesser duration was ticked on the bus contract or a written statement to this effect has been submitted no later than 2 weeks after the bus contract was signed.

Ordinary termination of the contract – in part or in whole - is excluded both before and after the beginning of the school year. This shall not affect the mutual right of the parties for an extraordinary notice of termination for good cause and the Student's special termination right in the event of a price adjustment pursuant to § 5 of the contract. A written notice of termination will be required in any case.

ZONE	REDUCED for students G1-9 round trip (*, **):	REGULAR for EC students and G 10-12 round trip (*, **):
1	1.146.--	2.218.--
2	1.388.--	2.476.--
