

## Student and Academic Apparel

During tonight's commencement ceremonies the graduates, members of the faculty, administrators and school board members will be wearing traditional academic robes and caps. The history of such academic dress reaches far back into the earliest days of the oldest universities. The first formal notice of such graduation apparel appears in a statute in England in 1321.

The *Laude* Latin model will be used to recognize academic excellence for recognition at Commencement. The three levels of honors to be awarded to eligible students who have acquired academic excellence are:

Summa Cum Laude: With Highest Distinction – Cumulative weighted GPA of 4.1 or above  
*Students wear an orange stole*

Magna Cum Laude: With Great Distinction – Cumulative Weighted GPA of 4.0 - 4.09  
*Students wear an orange and white cord*

Cum Laude: With Distinction – Cumulative Weighted GPA of 3.8 - 3.99  
*Students wear an orange cord*

Students wearing a gold cord are members of our National Honor Society. These students demonstrated qualities of scholarship, service, leadership and character throughout their Junior and Senior years.

## 2020 Bear Awards

To be considered for these awards, students must complete a scholarship application. Selected by the White Bear Faculty and Administration, recipients of these prestigious awards represent White Bear Lake Area High School in the areas of leadership, academic achievement and community service.
