Dear Haldane Community,

I am pleased to report that the school budget proposition passed this evening by a vote of 1127 to 502. The bus proposition, which included the purchase of an additional vehicle passed. Finally, Dr. Peggy Clements was elected to serve another three-year term on our Board of Education.

This is a significant step forward for our school community as we close what has been an extraordinary school year and begin planning for the reopening of schools in September.

I would like to thank our supporting organizations, including the Haldane Faculty Association, the Haldane School Foundation, the Haldane Arts Alliance, the Haldane PTA, and our critical friends who were helpful in spreading the word about the school budget development process. A special thank you also belongs to the election workers who worked diligently to facilitate this evening's tally under the direction of our District Clerk, Mrs. Catherine Platt.

Our full attention now turns to preparations for the reopening of schools in September. Best to you and your families for continued good health and a restful summer.

Sincerely,  
Phil Benante, Ed. D.  
Superintendent of Schools
