Purpose

The Board welcomes the public at activities and events sponsored by the school district, but the Board also acknowledges its duty to maintain order and preserve school facilities during such events. **This policy establishes conditions, restrictions and procedures to regulate public attendance and conduct at school and school-sponsored activities.**

Definition

State law defines the term tobacco product to broadly encompass not only tobacco but also vaping products including the product marketed as Juul and other electronic cigarettes (e-cigarettes). Tobacco products, for purposes of this policy and in accordance with law, shall be defined to include the following:[1][2]

1. **Any product containing, made or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed or ingested by any other means, including, but not limited to, a cigarette, cigar, little cigar, chewing tobacco, pipe tobacco, snuff and snus.**
2. **Any electronic device that delivers nicotine or another substance to a person inhaling from the device, including, but not limited to, electronic nicotine delivery systems, an electronic cigarette, a cigar, a pipe and a hookah.**
3. **Any product containing, made or derived from either:**
 - a. **Tobacco, whether in its natural or synthetic form; or**
 - b. **Nicotine, whether in its natural or synthetic form, which is regulated by the United States Food and Drug Administration as a deemed tobacco product.**
4. **Any component, part or accessory of the product or electronic device listed in this definition, whether or not sold separately.**

The term tobacco product does not include the following:[1][2]

1. **A product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other therapeutic purposes where the product is marketed and sold solely for such approved purpose, as long as the**

product is not inhaled.

2. **A device, included under the definition of tobacco product above, if sold by a dispensary licensed in compliance with the Medical Marijuana Act. Federal law requires the district to maintain a drug-free environment, at which marijuana of any kind is prohibited.** [3][4]

Authority

The Board has the authority to prohibit at a school event the attendance of any individual whose conduct may constitute a disruption. The Board prohibits gambling and the possession and use of controlled substances **prohibited by state or federal law**, alcoholic beverages and weapons on school premises. [5][6]

Tobacco and Vaping Products

The Board prohibits use of tobacco **and vaping products, including the product marketed as Juul and other e-cigarettes**, by any persons **at any time** in a school building; on **school buses or other** vehicles that are owned, leased or controlled by the school district; **or on property owned, leased or controlled by the school district.** [2][7]

{X} unless expressly permitted in designated areas which must be located at least fifty (50) feet from school buildings, stadiums or bleachers.

This policy does not prohibit possession of tobacco and vaping products, including the product marketed as Juul and other e-cigarettes, by members of the public of legal age at school or school-sponsored activities.

The Board deems it to be a violation of this policy for an individual in attendance at school or a school-sponsored activity to furnish a tobacco or vaping product, including the product marketed as Juul or any other e-cigarette, to a minor. [1]

A schedule of fees for attendance at school events shall be prepared by the Superintendent or designee and adopted by the Board.
