Code	913 Vol II 2019
Status	

NOTE: It is important to distinguish that Policy 913 only applies to requests from nonschool organizations, groups and individuals; in contrast, *requests from students to personally distribute or post materials shall be governed by Policy 220. Student Expression/Distribution and Posting of Materials.*[1]

Purpose

The Board recognizes that nonschool organizations, groups and individuals may wish to utilize the district as a means to engage the school community in activities and/or to distribute or post nonschool materials. The Board directs that requests for such utilization from nonschool organizations, groups or individuals shall be governed by this policy.

Activities or school-related information and materials from nonschool organizations, groups and individuals that are integrated with or presented as a part of the district's curriculum or an approved school event or student organization are approved and governed by Board policies related to curriculum and student activities, and are not governed by this policy.[2][3][4]

Authority

{ } The Board prohibits nonschool organizations, groups or individuals from utilizing the district to engage the school community in any way, including the distribution and posting of nonschool materials.

[If this option is chosen, delete the remainder of the policy. In this case, the development of an administrative regulation is not necessary.]

The Board recognizes that the school community may benefit from receiving information from nonschool organizations, groups and individuals, provided the distribution and posting of such information does not interfere with the educational program of the schools. The district's primary responsibility shall be to maintain a safe and orderly school environment and to protect the rights of all members of the school community.

The Board prohibits advertisement or promotion by nonschool organizations, groups or individuals during instructional time or at school-sponsored locations or activities not otherwise open to nonschool organizations, groups or individuals. [5][6]

The Board directs that the review and consideration of any activities or nonschool materials requested under this policy shall not discriminate on the basis of content or viewpoint.
