

Educational Discovery Tours

~Chaperone Guidelines~

Thank you for accompanying your students on their upcoming educational program. In order to ensure a successful experience for all in attendance, please take a moment to view the following guidelines.

- ◆ Upon arrival at your destination, your trip leader will greet you. Please remember that the trip leader is there to enhance the program and educate your students in a fun and friendly environment. The trip leader is not there to chaperone. ☺
- ◆ Please keep a close eye on the students in your care. There are lots of places to visit and exciting things to see; we don't want anyone to fall behind. ☺
- ◆ Wear a watch! When traveling in a group it is important to be aware of meeting and departure times. ☺
- ◆ Set a good example for your students by listening, watching and learning with the rest of the group. ☺
- ◆ All school rules are in effect during the educational experience. ☺
- ◆ If at all possible, please turn off your cell phones when the trip leader is addressing the group and during tours and presentations. ☺
- ◆ Alcohol consumption is not allowed during the trip. Remember, the safety of the students is your number one priority. ☺
- ◆ Enjoy your experience! You may "discover" something new yourself! ☺
- ◆ Should you get separated from the group or encounter a problem, please call our 24-hour emergency phone number: 1-800.601.4723 ☺

Thank you again for assisting your students during the trip. We look forward to providing you and your students with a rewarding experience and lifelong memories.
