

# THE KINETON HIGH SCHOOL YEAR 6 INTO 7 CHALLENGE

Set by the Character and Culture Department and English Team

Having a range of experiences can be incredibly enriching to aid, develop and deepen your understanding of the curriculum. The teachers at Kineton have therefore worked together to put together a range of 'challenges' that we think you should try and experience this summer.

**Awards:** Bronze try x 10 experiences

Silver x 20 experiences

Gold x 30 experiences

**We will require you to create your own reflective journal or scrapbook and write a minimum of one paragraph about each experience, this paragraph then needs to be signed and dated by a parent or carer and you must also attach photographic evidence (where possible) of you completing the challenge. Scrapbooks and journals will be due by Monday September 14<sup>th</sup> (or in the Character and Culture lesson that fortnight)**
