Beyond Behavior Consulting, LLC

- Beyond Behavior is an agency based in the science of Applied Behavior Analysis. We are dedicated to the individualized treatment and education of children with Autism.
- We have over 65 staff members who are highly qualified in ABA, many of whom are registered behavior technicians and Board Certified Behavior Analysts.
- We provide focused and comprehensive ABA treatment in the home, community, and school settings. We provide research based methods in the child's least restrictive setting to help children reach their highest potential.
- Beyond Behavior's autism center provides a clinic based setting for focused and comprehensive programs with emphasis on *communication, social and behavioral development, toilet training, self-help, skill acquisition, and behavior reduction*. Center programming also allows for enrichment opportunities such as social skills groups, after school activities, and summer camp!
