Congratulations!

Graduation and Promotion at SLC

The SLC had a very special graduation and promotion ceremony this year via zoom and car parade! Congratulations students on your accomplishment, we are so proud of you. Congratulations for your achievement and we wish you all the success and happiness the world has to offer!

SPECIAL POINTS OF INTEREST

Our STEM Garden Has Produce!

We are happy to report that our SLC STEM Garden has tomatoes, pumpkins, carrots and mint! The students and staff will look forward to using these vegetables and herbs at some point to create a nice meal!

Thank you ~ Dr. Mary Ring!

We cannot thank Dr. Mary Ring enough for her support and dedication to the SLC staff, students and families. Dr. Ring played an integral part in the SLC's inception more than 7 years ago. We wish her nothing but the best as she moves into her new position, where she will continue to do what she does best, *doing great things for kids!!*

Students Present Virtual Presentations

Mrs. Porter's class has been learning and practicing applied digital skills by creating and sharing virtual presentations. Students have created health and nutrition presentations. Additionally, each student interviewed a family member and wrote a biography about their selected person.
