Roll Call was taken by the Secretary and quorum was established

Application for EL Funding/Funding Report: Copies of the EL Funds Report and Application for Funding for all schools were distributed. Mrs. Durant offered to answer questions and she explained that these funds should be used to serve EL students only. If these funds are not used by the end of the school year, leftover money will go to General Fund.

- Parents asked who would be able to tell them how some of these funds were spent at their sites. Parents also wanted to know if ELAC has the authority to request that funds allocated to a particular category be moved to a different category.
- UP parents would like to know why the Chromebooks purchased with EL funds have not been received. Their questions regarding these items have not been answered by administration.
- LLA parents were concerned that Chromebooks purchased with EL funds were used to serve other students.
- To ensure these Chromebooks are used only to serve EL students, Mrs. Durant will create a form where administration/teachers must explain how these Chromebooks will be used to serve EL students.

Parents would like to see our District offering GED classes for adults.

Meeting was adjourned at 10:37 AM.
