

Los Alamitos High School Physical Education Department Guide

Goal:

To provide students with the instructional programs, skills and knowledge they need to establish and sustain physical activity as a key component of their lifestyles. We want to provide students with skills needed for a healthy quality of life. Student learning will focus on developing both team and individual skills for both leisure activities and competitive pursuits.

Curriculum Guidelines / Sections:

Our curriculum is developed in compliance with the guidelines set forth by the California Department of Education. Instruction provides students with essential skills to meet those standards. Specific goals and objectives will be determined based the course section (PE9, weightlifting, lifetime sports or basketball) as well as instructional units (soccer, paddle tennis, dance, etc..)

Injuries, Accidents and Behavior:

All injuries, accidents, aggressive behavior, and harassment (regardless of how minor) must be reported to the instructor immediately. We expect that all students act like young adults, extending respect and consideration to their classmates, teachers, and all school staff.
