THE BACK PAGE

The Eccentrics, a band comprised of SLUH students, will perform tonight at Bastille's, 15444 Kehrs Mill Road, at 8:00 p.m. There is a five dollar cover charge. For directions, call Bastille's at 256-4449 or Mark Hochberg at 822-8619.

Mr. Jim Jackson, a member of the SLUH class of 1980, and now a park ranger at the Museum of Westward Expansion-Gateway Arch, will give a presentation in the auditorium on Monday focusing on saddles and the changes of the American west from the time of Spanish influence through the time of the classic American cowboy. The presentation will include information about the role of the city of St. Louis in the development of the west.

Because of Mr. Mark Thoma's departure from the Spanish Department, there are no immediate plans for an active Spanish Club this school year. However, first-year teacher Mr. Charles Merriott said that any student interested in reviving the Spanish Club should contact him or Mr. Bill Walker in the next two weeks in the Foreign Language Office.

Freshmen are reminded that seniors John Boeckmann, Dave Heaton, and Ed Strathmann are available for tutoring in room 107 during activity period on Mondays and after school on Thursday. These three seniors will offer this tutoring service throughout the school year as part of the 1991-1992 senior advisor program.

National Merit

(continued from page 1)

that will include a self-description, and a listing of scholastic achievements, extracurriculars, and educational plans and goals.

If selected as finalists, the seniors will compete for one of three kinds of National Merit Scholarships: 1,800 National Merit \$2,000 Scholarships, 1,300 corporate-sponsored Merit Scholarships, or 3,000 awards financed by the colleges or universities that the finalists decide to attend.

Finalists will be announced in February, and scholarships will be awarded next spring.

PN NIGHTBEAT

The SLUH varsity cross country team took first place in the Southpaw Invitational at Jefferson Barracks yesterday on the strength of senior captain Sean Lock's first place finish. SLUH's junior varsity also took first in the meet. The extreme heat caused four non-SLUH runners to pass out during the race. Watch next week's *Prep News* for full details of this and other cross country action.
