

### CROSS COUNTRY RUNS WITH BEST

Both the freshmen and varsity cross country teams proved they could run with some of the better schools in the metropolitan area last week.

The freshmen Harriers travelled to Sioux Passage for the Hazelwood Freshman Invitational. Most of the top rated area teams, such as Hazelwood Central and DeSmet, competed in this meet. With Mike McGlynn, Kevin Williams, and Chris Ferrari finishing second, seventh, and ninth respectively, the Jr. Bills went on to win first place. Dave Abkemeier also contributed to the winning effort.

The varsity Harriers ventured to Ladue Junior High School for district competition against four of the top fifteen teams in the area. Despite hazardous footing and rainstorms the varsity ran to a third-place finish, defeating twelfth ranked Kirkwood and fourteenth-ranked Fox. Rob Behm, Chris Woodward, Mike McGlynn, Bill Hunker, Paul Alvord, Joe Kardos, and Chris Shocklee will all make the trip to the Sectional meet this Saturday at Jefferson Barracks. The meet begins at 10 a.m.

### LINDBERGH FLIES BY POLOBILLS

The Aquabills travelled to Lindbergh Tuesday hoping to upset the Flyers. The Flyers dominated the game, however, and dealt the polo team its seventh loss of the season, 11-7.

The Bills played well during the first quarter and kept the game tied at 3 goals per team. The team went ahead 4-3 at the outset of the 2nd quarter, but then allowed Lindbergh 5 unanswered goals. The Flyers had an 8-4 lead at halftime and would retain control of the game until

### JV's HIT BOTH EXTREMES

Despite suffering its first loss of the season, the JV waterpolo team won four games in two weeks to raise its record to 11-1.

The JV squad suffered the loss at the hands of Parkway West. Despite a fourth quarter rally, the Aquabills fell short, losing 6-4.

On the other extreme, the team was brilliant when it handed the previously unbeaten Lindbergh Flyers their first loss in two years by a score of 9-7. Team captain Jeff Rhyne exploded for 5 goals, while tallies were also added by sophomores John Wagner, Tom Cravens, and Matt Arett, as well as freshman Mike DeGreeff, who also played two outstanding quarters in shallow-end goal.

Between these two milestones SLUM rolled past Country Day and Berkely, but had a more difficult time defeating Parkway South. In an exciting overtime struggle the Aquabills pulled off an 11-8 defeat of the Patriots. Jeff Rhyne scored 6 goals, John Wagner, 4, and Tom Cravens, 1.

The team has only two games remaining in the regular season, against Parkway Central and Clayton, before beginning play in the District Tournament.

### DRILL CONTINUED

mock residents who must be evacuated. The other 320 upperclassmen will be victims of the disaster, and will have varying degrees of injury. The Air Force will be applying differently colored make-up to the victims and residents to aid emergency crews in deciding how much treatment is needed. The victims will then be actually transported to area hospitals, where they will be "treated" and served lunch. All victims will be brought back to school by 2:45.

Mr. Owens called the upcoming event "an opportunity to serve the whole community," since it will aid hospitals in seeing how efficiently they get victims transported to emergency rooms and treated, and will help the city departments involved to determine how well they could handle a major crisis. It will also be "an educational experience" for many students who will get to undergo the rigors of hospital emergency room treatment for the first time. In order to run smoothly, the drill will require "100% participation from the students." Mr. Owens will call meetings of the junior and senior classes on Monday, Nov. 5, to give them details about procedures for Thursday.
