

Finally in water, Aquabills set goals high

The varsity Waterpolo team is entering the 1984 season with great hopes for a return to the success it enjoyed during its 1982 reign. In that year the B-team went 21-0 and captured the JV state crown. No other SLUH waterpolo team ever enjoyed an undefeated season.

Last year's 10-10 season, a rebuilding year, enabled this year's seniors to gain invaluable experience. Seniors Kurt Heumann and John Oliver were spot starters last season. They, along with junior Bill Hamilton, will guide the Aquabills' offense. Returning starter Glennon Fogarty and junior Paul Lemp will anchor the defense along with one of the many Aquabills contesting for the final defensive position. Junior Mark Baudendistel will do double duty, tending goals at both the shallow and deep ends.

Due to a misunderstanding

with Forest Park Community College the Aquabills were not able to practice in their home pool until Sept. 4. For the past 3 weeks they had been practicing at all hours in four different pools. Although this has limited their practice time, the Jr. Bills are very determined to turn in a banner season. The season opens away Sept. 11 against the highly ranked Ladue Rams. The Bills open at home on Sept. 14 against the U. City Indians at Forest Park C.C.

Cross country "better"

Led by returning seniors Paul Alvord and Joe Kardos, the 1984 Varsity Cross Country team hopes to do well in its first meet on September 7. Although hurt by the loss of returning junior Rob Behm for the first part of the season due to an injury, the team has a strong supporting cast of seniors challenging for a varsity spot. A very good field of underclassmen promise to give the team strength at all levels.

The team is coached by Mr. Goeke, who last year in only his second season brought the team to its first sectional meet in 13 years. Mr. Goeke will be leaving SLUH after this year, having finished his three years as a scholastic.

Also coaching the team are Mr. Linhares and Mr. Pat O'Liddy. Citing the great depth of the team, Mr. Goeke promises, "We'll do as well or better than last year." ---Larry State
