

## HARRIERS READY TO RUN

SLUH's squad of Cross Country harriers is busy warming up for the 1981 season.

This year's burden should rest mainly on the shoulder's of Junior Pete Palumbo with the loss of last year's Senior standout Gerry Glynn. Palumbo will have help from returning lettermen Bob Schukai and Cary Corbett, along with juniors Steve Krekeler, Dave Ritchie, Jim Gorcyca, Jeff Althoff, Joe Rankin, Mark Kissling and Chris Kaminski.

This year's B team also shows potential with the return of sophomores Don Beckerle, John Buerkert, and Tim Martin who posted impressive scores in last year's meets.

## BEE'S SHAPING UP

Last year's undefeated "C" team returns this year as the 1981 version of the "B" team. Mr. May is optimistic, saying that this year's team is "bigger and quicker and has more depth at every position except quarterback." He also commented that his main objectives of "B" football are to teach the players the game as well as win the season opener and finish at .500. The "B's" can be seen in action this Saturday at 10:00 as they open their season against St. Marys at St. Mary's.
