

Accelerated Algebra 8th Grade Summer Packet 2020

ALEKS

To get ready for Accelerated Algebra 8, students will need to complete an online set of assignments at [Aleks.com](https://www.aleks.com) by the first full day of class.

Directions:

1. Use Google Chrome and go to www.aleks.com
2. Input your Login Name and Password.
 - a. Students who used ALEKS last year will use the same Login name and Password as last year.
 - b. New students who have NOT used ALEKS through Trinity before will be emailed a Login Name and password.
 - c. If you do not remember your login name and /or password please email either Terri Price tprice@trinitywildcats.com or Bert Rice brice@trinitywildcats.com
3. Under assignments there will be an assignment posted weekly. The due date for all assignments will be the first full day of school. **I strongly recommend that you work on this weekly, so you will not get behind as the start of the school year approaches.**
4. Calculators should only be used on problems where ALEKS gives the calculator as a tool.

Feel free to contact me via email regarding any weekly assignment.

Email: hsnyder@trinitywildcats.com

I will do my best to respond within 24 hours, unless I am out of town.

An assessment will be given the first week of school on the concepts covered in your Aleks assignments.

Have a great summer! See you in August.

Mrs. Snyder
