	Action Against Poverty	Raising awareness: making posters	
	Nutritious vegetables	Growing vegetables for increased nutrition	
	Random Acts of Kindness (RAOK)	Plan and carry out random acts of kindness. Arrange trips to the blind and deaf schools to play with the children.	Blind School and Ting Ting Deaf school
	Move it Move it!	This group will arrange a series of sports events for different students in school eg ASAs and lunchtime games including the Moveathon. The goals are improved health and fitness and also awareness of diseases such as Parkinsons. The group will create posters to advertise the events.	YOPP
	Social English Superstars	Watch, discuss, take notes with the students about a documentary video	
	Q E C (Quality Education Club)	Visit Chinese local school to collaborate with Chinese local students. We create survey for the students to know their needs that they have and try to solve the needs together. Blending the best of the IB system and the best of the Chinese system to make the perfect education system.	Local Chinese School
	NIS Guide book	Create NIS guidebooks for the foreign new students to understand school system; such as Veracross, award, class etc. We will also put the vocabularies at the end of the book(English to Korean and Chinese) so that students with language problem can get some help.	
	NIS Student Magazine	Create a regular magazine to showcase student creative writing pieces and artwork	The Nanjinger
	Me and myself and I	I would maybe explain using video or a book which would contain things that an IB school would learn and do, therefore people would have more wisdom on IB learning.	
	Language barrier breakers	Recycling crayons in school and making a video on how to recycle crayons and sending it to Ray of Light.	Ray of Light
	Gender Z Blue Hero	Raise awareness of Gender issues through social media and posters.	Instagram

## Service Activities Master List 2020-21
