

CSDE PRESENTS A LIVE WEBINAR

Adapt, Advance, Achieve: Connecticut's Plan to Learn and Grow Together

The Connecticut State Department of Education is hosting a live moderated webinar to discuss the newly released fall re-open document, [Adapt, Advance, Achieve: Connecticut's Plan to Learn and Grow Together](#). Commissioner Cardona and his senior leadership team will walk attendees through a high level overview of the plan followed by a Q&A session facilitated by a moderator. It is our hope that this will give district leaders, parents, students, teachers, political partners and educational stakeholders a chance to understand the rationale for the plan's provisions, and receive answers to any questions that they may have. The webinar will be limited to 1000 registrants, but will also be live streamed for a larger audience.

Date:

Thursday, July 9, 2020

Time:

11 a.m.–12:30 p.m.

Presenters:

Commissioner Cardona
and members of CSDE's
Leadership Team

[Register](#)

Sign up by July 8 at noon.

Registration is limited to the first
1000 respondents.

After registering, you will receive a
confirmation email with information
about joining the webinar.

This webinar will also be **live streamed** at:
