Dear Parents
and Guardians
of Rising 7th
graders,

The Level 2 Teachers would like to welcome you and your 7th grader to our team. We look forward to working with each of you. Our philosophy in 7th grade is a team approach. We partner with you for our common goal for your child to have his/her best year ever! Strong communication between school and home is necessary for success. To facilitate this, we will ask for a parent contact number, email address and any concerns you may have. Before the start of school, an adult should complete the following Google Form:

<https://forms.gle/dM6atKZpo8DucbUp6>

We are working hard over the summer to design lessons that will not only meet state standards, but also incorporate IB standards and Approaches to Learning (ATLs). We are responsible for giving your child the best subject-specific content as well as skills that enable them to be lifelong learners. We are looking forward to an awesome 2020-2021 school year as partners with you!

Sincerely, The Level II Teachers at Northview IB
