

# BEST NET Employee Self Service Registration

<https://employeeselfservice.sbcss.k12.ca.us>

The Employee Self Service gives you direct access to your payroll data via the web. You can review, print, or save your latest pay stub or annual W-2 tax form at your convenience from work or at home. Pay information is available for the current calendar year plus two historical years. W2 information is available for five calendar years. For districts currently using the **Employee Leave Tracking System**, real-time Leave Activity is also available in detail or summary.

The Employee Self Service is a secure web site which requires authentication during the initial registration process as well as a user name and password every time the site is accessed.

An enhancement has been made to provide the user with a method of resetting their password by clicking on the 'Forgot your password link' on the login page. The process will verify the user account and security questions, and then allow the user to save a new Password and password Hint (optional). The user can then use their new password to log into ESS. Security questions must be setup during registration or in the Preferences page prior to utilizing this feature.

The screenshot shows the 'Home' page of the BEST NET system. It features a 'Main Menu' on the left with links for Home, Earnings, Benefits, Taxes, Leave Balances, Preferences, Change Password, User Guide, and Logout. The main content area is divided into three sections: 'News' with a link for '2012 W2's Displaying Incorrect Year - UPDATE (1/29/2013)', 'Recent Earning Statements' with dates from January 31, 2013, to September 28, 2012, and 'Recent Tax Documents' with a link for '2012 W-2'.

Each paystub is listed by the issue date; the W2 information is listed by the "year". Click one of the records to open either a paystub or W2.
