

Good afternoon,

These past weeks have been very busy here in the district as we began planning for the opening of the 2020-21 school year. I have attached a presentation that outlines the resources and processes that we have undertaken to plan for the opening of school on August 31st. We know that school will look different this year and we are working through many scenarios to safely meet the needs of our school community. We will continue to communicate with you throughout the month of July as we prepare our plans.

Haverford Opening 2020-21

A [section on our website](#) has been created to provide the Haverford community with up-to-date information on the opening of the 2020-21 School Year. Our district team will continue to meet, monitor the situation, and communicate all relevant information. If you have questions about the opening of the 2020-2021 school year, you can email OpeningHaverford@haverfordsd.net. We will generate a FAQ document and post it on the website.

Contacting Us:

The Oakmont Administrative Offices are open to the public by “Appointment Only”. [Please see the attached document for guidance in scheduling appointments.](#)

First Day of School 2020-21

The first day of school is August 31st. We are starting school as previously scheduled, we are not recommending a change to the start of the 2020-21 school year. [Approved 2020-21 School Year Calendar](#)

Facilities:

We are pleased that Governor Wolf has moved Delaware County to the green phase. We want to thank our residents for their patience and compliance with CDC guidelines while our recreation facilities were closed. We are stronger together by staying apart!

The green phase means that the following opened on Friday, June 26.

Playgrounds are open – Participants should practice good hygiene and social distancing. The playground equipment is not disinfected during the summer months.

Basketball courts are open – Play safe, stay safe – Practice good hygiene and social distancing

Track - work at the track continues and the track is closed to the public as it is a construction site.

School Board Meetings

There will be four meetings scheduled for the month of July to provide information to the Haverford community for the opening of schools for the 2020-21 year.

- July 9: Health & Safety Plan for Athletics, Canvas Learning Management System, 2020-21 School Opening Planning
- July 16: Haverford Online, BASIS, 2020-21 School Opening Planning
- July 23: Health & Safety Plan for the Opening of School, Construction Update
- July 30: TBD

All Agenda, meeting minutes, video replay, and board policies for School Board Meetings are accessible via [BoardDocs](#). All meetings will be virtual and held at 7:30 PM via Zoom. The Zoom link to the meeting will be available on BoardDocs on the day of the meeting.

Hoping all in your home and extended family are safe and well,

Maureen Reusche
