no. 33

The magnitude of the global health crisis was snapped further into focus by, for the first time in living memory, Prize Giving taking place on the playground and not in the splendour of Christ Church. First of all many thanks to Years Rec-7 for their understanding and allowing us to do so; which necessitated those pupils breaking up a day early.

Never let it be said that a virus can get in the way of us presenting a shiny cup or a hefty hardback. Several of each were distributed to our leavers in recognition of their skills, efforts and talents.

Once again the list of destinations is an illustrious one and we know for certain, in an often uncertain world, that they will all be fine ambassadors for their prep school.

After many kind words delivered by adults a response was given on behalf of the boys by Chris Leaver – we hope he doesn't mind us sharing his speech with you all.

Dear all,

I would just like to write a few words to everybody at Tower House. It has been a very strange time and I could never have guessed that I would end my THS years like this. In March I thought we would definitely come back before Common Entrance, do all the celebrations and fun stuff together, and see you all in the Church for Prize Giving.

THS has been a great school for me! I have felt at home, in excellent hands, got all my best mates here, studied hard, and I have loved all the different sports, art, music and drama.

When I look back, Junior School was fun and prepared me well for Senior School. Senior School has been more challenging, but it has pushed us to reach a high standard, and I now feel prepared to leave, even if it will be sad. I will always think back on all the fun conversations and moments we had. I will miss it a lot.

A big thank you to all of our fantastic teachers, and I would also like to wish all the boys in the Junior School and Senior School all the best and good luck on their journey!

MOVING ON UP

Wishing the Junior School pupils a happy summer in separate bubbles was bizarre enough but congratulating our Year 3 boys for finishing their Junior School journey in two groups was, well ... unprecedented.

The ceremonial handing over of a dictionary was conducted in the JS front garden and we also had the pleasure of awarding the Junior Cups.

Mrs Richards, in Year 4, looks forward to welcoming all of our junior School 'graduates' in September.

A beautiful montage made especially for Mrs Barnett. Well done Year 3!

HELPING THE NHS

We were delighted to receive this letter;

Dear Mr Peyton

As we have officially passed 100 days of the pandemic this feels somewhat belated but I wanted to write to say an enormous 'thank you' to you, your colleagues, the wonderfully talented 'scrub ladies' and to those who have donated to keep us supplied with the cheerful and colourful scrubs and visors. All have been so very welcome and will go on being used particularly now as we begin to resume routine care and bring more patients into the surgery.

We have very much appreciated the support that you all have given us and wish you, your colleagues and the boys at Tower House an enjoyable summer.

With best wishes

Your Year Group

Congratulations to.....
...Year 6!

The competition has been very close over the past week with lots more reviews coming in, especially from the boys in Years 4 and 5, but Year 6 have clinched the top spot with 75 reviews!

Well done and thank you so much to all boys for sending their reviews.

Keep reading over the summer!

This year's house point champions are. **NEWTON.** Well done!

Have a lovely summer holiday!
