- OCT 03 2018 10:00AM **Register**  
**OnDataSuite® Maximizing Funding and Attendance Data Review**  
This workshop will assist in ensuring accurate coding of student attendance, as stated in the Student Attendance Accounting Handbook. An emphasis on maximizing funding will be a focus, by reviewing data to be reported in PEIMS, which results in FSP and other TEA funding allocations. We will review custom reports, build adhoc reports and check dashboard data for attendance anomalies and discuss best practices. **Session is intended for district/campus personnel responsible for attendance reporting and review.**
