COVID-19 Mitigation Summary of Practices for “Jump Start” Summer School - July 2020

WELCOME: We are excited to be able to offer “Jump Start” Summer School this summer and to have the opportunity to work with your students. We have made plans for “Jump Start” Summer School to be held in the campus building beginning the week of July 6, 2020.

As we move back into the building for the first time since Spring Break, please know that there will be precautions and prevention measures that are put in place by the district as well as those mandated by the Governor. We will update our plans as new orders are received surrounding COVID-19 and reopening the school for student interaction and instruction.

The continued health and safety of our students and staff is our primary concern as we navigate through this process. This letter contains an outline of some key points of prevention and practices that we are putting in place to mitigate COVID-19 spread. It is our commitment to the safety of all to work closely with the local and state governing agencies and health officials to stay abreast of developments and adjust our practices as conditions change or new orders are received.

PREVENTION PRECAUTIONS: As set forth by the Governor’s orders, TEA recommendations, and local consideration, the following preventative measures will be followed for China Spring Intermediate July 2020 “Jump Start” Summer School. FINAL REMARKS: Thank you all for standing in the gap with us. We are looking forward to seeing your students back in the classrooms! We will do our best to keep you all updated ahead of any upcoming revisions to the "Jump Start" Summer School plan. Please note that as developments continue to arise there may be a necessity for an immediate change in plans. In this event, the district will be reaching out to you by School Messenger to make you aware of any immediate changes as they develop.

Thank you for standing in the gap with us this Spring! We have missed our students more than imaginable and we know that their continued growth during this time was due to your commitment and willingness to shoulder the role of the teacher, along with the many other roles you already maintain. Words cannot express our admiration and gratitude to you, the parents and guardians, who have carried the torch with us since Spring Break.

Sincerely,

Heather Jenkins, Principal
