

Calhoun High School Supplies

School Supply Information 2020-2021

As we quickly approach the beginning of a new and exciting school year for Calhoun High School, parents and students begin to think about what school supplies they might need to start out the year. Due to the diverse nature of content taught in grades 9-12, it is difficult to publish a specific list that caters to all content areas; therefore, we do not publish a traditional supply list. Instead, we ask that our teachers provide any specific supply needs during open house and within their course syllabus delivered on the first day of school. With that said, there are some common supplies that will help students get off to a good start in the year ahead. These consist of:

- Ink Pens (Black and/or Blue)
- #2 Pencils
- Notebook Paper
- 3-Ring Binders
- Ear Buds/Headphones
- Colored Pencils and/or Markers
- Composition Book and/or Notebook
- Personal Hand Sanitizer
- Clorox/Lysol Wipes

If your student comes to school on the first day of school with the aforementioned items they will be adequately prepared to begin what promises to be a great year at CHS! Please do not hesitate to contact me with any questions or concerns regarding this information. We look forward to seeing our students, grades 9-12, on the first day of school.

Respectfully,

Dr. Peter Coombe
Campus Principal
