**Supply List 2020-2021**

The following is a list of supplies your child needs for his or her classes this school year. The list is arranged by department, by course, and by specific teacher on your child's schedule. Sometimes items are divided by the letter of your child's last name. Your child's teacher will determine a due date for these supplies. We understand that the circumstances surrounding COVID-19 may prevent you from finding some of these supplies that are in limited stock. **Every student needs a mask (must be school appropriate) or face shield.**
