Happy Thanksgiving

As we wind down the week looking toward much needed time with family and friends, we focused on making sure we were giving it all we had to get better. We put forth extra effort to build our reading, writing, and math skills. At the same time, we came together to donate lots of canned goods for those in need. At Alexander, we are focused on achieving excellence every day!

Feliz y Agradecido

A medida que terminamos la semana mirando hacia el tiempo tan necesario con familiares y amigos, nos enfocamos en asegurarnos de dar todo lo que teníamos para mejorar. Ponemos un esfuerzo extra para desarrollar nuestras habilidades de lectura, escritura y matemáticas.
