

SPRING COMMENCEMENT

MAY 9, 2020

MISERICORDIA
UNIVERSITY.

Sisters of Mercy
Mercordia Provincial
House
College

On behalf of our entire Misericordia University community, I want to say how privileged we are to be able to honor the May Class of 2020 and acknowledge your academic accomplishments.

In this time of great uncertainty, one thing remains quite certain despite the pandemic and the associated obstacles, the Sisters of Mercy taught us to live lives of abiding consequence. I believe that you are all examples of that teaching in action.

I encourage you to share our charisms, gifts given to us that we give to others, as you progress throughout your personal and professional lives. I'm confident that you will use them as a guide along your journey - *Mercy, Service, Justice*, and *Hospitality*.

To be very clear, Commencement is the highlight of the semester. If we could have conducted an in-person ceremony in May or this summer and also could be sure of the safety of our guests and the success of the ceremony, it would have been done. This is my last Commencement as your president. I have had the honor of greeting thousands of Misericordia students as they crossed the stage. I will miss the opportunity to do it with you. If you can, please return in December when we plan to host a special ceremony just for you.

We are very proud of each one of you...Misericordia Proud. We are grateful that you were, and will remain, a part of the Misericordia community. Please pass that gratitude along to those who assisted you in accomplishing your degree and preparing you for the future. The world is in need of compassion and gratitude. Once again, on behalf of all of us at Misericordia University, best wishes and congratulations.

Regards,

Thomas J. Botzman, Ph.D.
President

MISERICORDIA ALMA MATER

Woodland home on Dallas heights,
 Majestic, grand in view
 Your loyal students far and near,
 Proclaim their love for you.
 Your banner bright of truth and light
 Shall proudly o'er us wave
 Its shining gold and azure blue
 Denote your spirit brave.
 Refrain
 Misericordia! We're proud of you.
 We love your murm'ring pine trees,
 Your groves and grotto, too.
 You are our Alma Mater,
 And to you we will e'er be true
 Misericordia we hail! Dear Misericordia!
 When from you we must depart
 Our spirit shall remain
 We'll ne'er forget your rolling hills
 Whose beauty all acclaim.
 Your classic halls are our delight, Your campus is our pride;
 Your shield of honor, strength and might
 Shall ever be our guide.
 Refrain
 Misericordia! We're proud of you.
 We love your murm'ring pine trees,
 Your groves and grotto, too.
 You are our Alma Mater,
 And to you we will e'er be true
 Misericordia we hail! Dear Misericordia!
