

# Safety & Security Measures

## Facility Adjustments

1. Decluttering of classrooms, offices and common areas
2. Divide class roster into two (2) cohorts of students - 6ft restriction
3. HVAC filter change, water and systems check
4. Daily sanitizing schedules for all TCUSD locations
5. Ingress/egress & access point limitations

## Health Screening & Illness Tracking

1. Software system to check symptoms daily and track illness
2. Bio-Screening thermometer scan upon entry
3. Guidelines for medically fragile & ill students / staff members
4. Symptom response, isolation & quarantine guidelines
5. Reporting to the Department of Public Health

## Community Access

1. Restricted campus visitor access – appointment required
2. Restricted Facility Use Permits to reduce outside contamination
3. Transportation sanitization & guidelines
4. Child care & ELP Program guidelines

## Universal Precautions

1. 6 foot social distancing & partition installation
2. Face masks/coverings & personal protective equipment
3. Signage for access directions & health guidelines
4. Facility & Food Service program sanitation schedules
