

**Los Alamitos Unified School District
2020-2021**

ANNUAL BUDGET ADOPTION

School districts in California are required by statute to adopt an annual budget by July 1st even though the State's budget, by which K-12 public education is funded, may not be finalized by that date.

Historically each January, the Governor presents his proposals for the coming budget year. Included in these proposals are the Governor's "assumptions" for K-12 education, including COLA (cost of living adjustments) for the Local Control Funding Formula (LCFF) and other state funding; elimination of, or changes to, certain programs; and funding for new programs. In May, after a review of the State's tax revenues, the Governor issues what is called a "May Revise" and changes some numbers up or down to reflect changes that may have occurred between January and May. The State budget is to be adopted by the Legislature and signed by the Governor by July 1st.

Governor Gavin Newsom's May Revision proposes a multiyear effort to address the state's budget shortfall through a combination of strategies. These strategies include drawing down reserves from the state's Budget Stabilization Account over the next three years but using all of the funds in public education's Rainy Day Fund immediately, canceling program expansions and new programs that were proposed in the January State Budget, making programmatic reductions across almost all government programs, and deferring apportionment payments.

The May Revision proposal acknowledges the statutory cost-of-living adjustment (COLA) of 2.31%, it suspends the COLA in 2020-21 for all eligible programs, including special education, Child Nutrition, Preschool and the Mandate Block Grant. Absent additional federal funding, the Local Control Funding Formula (LCFF) is proposed to be reduced by 10% taken from the base grant, which lowers the amount upon which supplemental and concentration grant funding is calculated.

The Governor also proposes deferring approximately \$1.9 billion of LCFF funding in June 2020-21 to July 2020-21. Further LCFF deferrals are needed in 2020-21, increasing by \$3.4 billion in total apportionments deferred to 2021-22.

The Los Alamitos USD 2020-21 budget and multiyear projections are based on known variables as of May 31, 2020, and are done conservatively. Once the Governor's proposal and new bills are signed into law, we will update the budget and submit revisions to the Board of Education for approval.

LOS ALAMITOS USD 2020-21 BUDGET YEAR ASSUMPTIONS

The following assumptions are reflected in the 2020-21 budget:

Revenues:

- Based on enrollment estimates as of May 2020, we are projecting our actual 2020-21 ADA to be 9,460.97, including County ADA of 39.51. A loss of 16.33 ADA over prior year funded ADA. However, due to the State's current law on declining enrollment formula, the District is guaranteed funding for one year, the higher of the current or prior year's ADA. Accordingly, we are budgeting our funded ADA at 9,477.30, the District's actual 2019-20 ADA at P2.
- The cost of living adjustment (COLA) is projected at 2.31%, but has been suspended. In addition to the COLA suspension, a 10% proration factor will be applied to the LCFE Funding formula which will net to a reduction of 7.92%.
- The unduplicated count is estimated at 18.71%, based on the 2019-20 CALPADS Fall certified.
- The Education Protection Account (EPA) entitlement is estimated at \$4,290,877.
- Federal Impact Aid revenues are budgeted at \$3,410,873 for 2020-21.
- Other Federal revenues are budgeted with no increase and no prior year carry over is accounted at this time.
- Unrestricted lottery income is projected at \$153 per annual ADA, and restricted lottery income is projected at \$54 per annual ADA.
- Mandate Block Grant is budgeted at \$32.18 per ADA for K-8, and \$61.94 per ADA for 9-12.
- Interest income is estimated at 1%.
- A portion of local donations funds are budgeted and additional funds are budgeted when received during the budget year.

Expenditures:

- The current cost of salary step and column is included
- Projecting approximately \$8.7 million in salary reductions due to possible school closures due to COVID-19 and to account for revenue loss.
- Statutory benefits (Medicare, Social Security and State Unemployment Insurance) are adjusted accordingly with increased salary costs.
- Workers' Compensation rate is projected at 1.903%, an increase of .133% over the 2019-20 rate.
- STRS rate is projected at 16.15%, a decrease of .95% over the 2019-20 rate.
- PERS rate is projected at 20.70 %, an increase of .979% over the 2019-20 rate.
- Health and Welfare costs are estimated at \$14,608 per employee for 2020-21.
- An inter-fund transfer of \$1 million from the General Fund to the Deferred Maintenance Fund (Fund 14) is budgeted for 2020-21 and projected for the subsequent years.
- \$1 million is allocated for Technology upgrades in 2020-21.
