Offertory and Tax Deduction Changes for all Taxpayers: The ongoing support of parish offertory is so important in meeting our parish expenses. **All taxpayers for 2020 may take an "above-the-line" deduction for up to \$300 in cash donations.** If you do itemize, you may deduct up to the entire amount of your adjusted gross income (AGI) for cash gifts in 2020, without reference to the 60 percent limitation that would otherwise apply. More information can be found here: <https://arlingtondiocese.plannedgiving.org/cares-act>

May 2020 Facility Improvement Offering

May 10, 2020 **Special Needs of the Parish** - This collection benefits the needs of the parish not ordinarily covered in our annual budget. In the past, these needs have included seed money for the sound system, support to get the preschool up and running, and a new roof on the chapel (to name a few). This year the collection will be to support the Facilities and Security Committees' priority goals which include improving the doors, locks, lighting, and camera surveillance on campus. Please support this collection so that we can be as safe as possible when on campus.

SHEPHERD'S CENTER TO THE RESCUE! – The Shepherd's Center of Oakton-Vienna is pretty much shut down at this time, but to address the changing needs of area seniors due to COVID-19, a new service is being offered. It's shopping and free delivery of essential food, medicine, and household goods to those who need it the most. If you are in need of this service, please call The Shepherd's Center, 703-281-0538 for details.

FAITH DIRECT – In the past weeks you've received a letter from our Pastor about this electronic way of making your weekly and holy day offerings to OLGC and have been reading articles about it in the church bulletin as well. Over time, I've also written about it in this column and would like to revisit it from a personal perspective, especially now, given our present inability to attend Mass and make our offerings in our usual way.

Why do I use electronic giving? I really love the convenience of not having to remember to write a check for Sunday Masses or holy days. If I'm away or unable to attend Mass because of illness or severe weather conditions, my weekly offering is made automatically. After all, just because I'm not there doesn't mean I can stop supporting my church. There are no envelopes involved, saving some trees and saving the church money because they don't have to purchase them and they don't have to pay for postage to mail them to us. Electronic giving also saves time in the processing and recording of our donations and the system is super accurate and secure. I've never experienced an error in all the years I've been using it.

Most importantly, electronic giving enables our Pastor and the Finance Committee to be faithful stewards. It's a program that ensures the funds needed to pay the bills will be there, just like we depend on our Social Security and

retirement benefits to be deposited every month to our bank accounts.

Please give serious consideration to signing up for Faith Direct, not only for the sake of convenience but to ensure the regular support of our faith community despite whatever else is going on. Register at <https://membership.faithdirect.net/enroll/VA875>. If you're uncomfortable using the computer to do this, call the Administration Building, 703-938-2828, and someone will help you.

REAL ID EXTENSION – Due to circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security is extending the REAL ID enforcement deadline by a year. The new deadline for REAL ID enforcement is October 1, 2021. Beginning on that date, every air traveler 18 years of age and older will need a REAL ID-compliant driver's license, state-issued enhanced driver's license, or another acceptable form of ID to fly within the United States. The REAL ID-compliant cards are marked with a star at the top and cost an additional \$10. Check out the details at www.dmv.org/va-virginia/id-cards.php.

STIMULUS CHECK SCAMS – If you get a call, e-mail, text or social media message saying the IRS needs money or personal information before sending your stimulus payment, don't respond. It's a scam. Red flags may include the use of the words "stimulus check" or "stimulus payment." IRS uses the term "economic-impact payment." You'll never be asked to verify your personal and/or banking information to speed things up. You'll not receive a check that directs you to call a number to verify your personal information in order to cash it. Do not pay anyone who promises that they can expedite or obtain payment or a loan for you. You are not required to make any up-front payment or pay any fee to receive this payment. If you're eligible, you don't need to do anything.

LIONS RECYCLE FOR SIGHT PROGRAM – Used eyeglasses are always welcome as they are refurbished and sent to millions of people living in low- and middle-income countries where access to basic eye care services is limited. After we get back to normal you can drop them off at Patrick Henry Library, Vienna Presbyterian Church, or the Vienna Community Center.

ELDER WISDOM – Every few days try on your jeans, just to make sure they fit. Wearing pajamas all day will have you believe all is well in the kingdom.

In union, dear Lord, with the priests
at every altar of your Church,
where your Blessed Body and Blood
are being offered to the Father,
I desire to offer you praise and thanksgiving.
I present to you my soul and body,
with the earnest wish that
I may be always united to you.

And since I cannot now receive you
sacramentally, I ask you to come
spiritually into my heart. I unite
myself to you, and embrace you
with all the affections of my soul.
O let nothing ever separate you from me.
Let me live and die in your love.
Amen.

When we cannot go to the church
let us turn toward the tabernacle;
no wall can shut us out from
The Good God.
