[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#) [Note: this text will be hyperlinked to the LCFF Evaluation Rubric web page when it becomes available.]: Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Victor Valley Union High School District		
Contact Name and Title	Ron Williams, Superintendent	Email and Phone	rwilliams@vvuhsd.org (760)955-3201 Ext. 10202

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Victor Valley Union High School District is located in the High Desert region of San Bernardino County, approximately 97 miles northeast of Los Angeles and 35 miles northwest of San Bernardino. Our district is just north of the San Bernardino mountains, at the edge of the Mojave Desert. Interstate 15 and State Highway 18 intersect near the heart of the city and Victorville is bordered on the west by State Highway 395.

The Victor Valley includes the communities of Adelanto, Apple Valley, Hesperia, Lucerne Valley, Oak Hills, Phelan, Victorville, and Wrightwood. Victorville is the business hub of the area and draws consumers from well beyond its immediate area. It is the largest commercial center between San Bernardino and the Nevada border.

The residential population of Victorville is 121,096 and growing. Estimates suggest that this figure more than doubles during business hours to accommodate the needs of the more than 300,000 people who call the Victor Valley home. Victorville is conveniently close to many mountain communities and within 30-40 minutes of Ontario International Airport.

Currently, VVUHSD is proud to provide students with eight schools for high quality, educational learning environments. There are three comprehensive high schools offering grades 9 through 12, two schools of choice with grades 7 through 12, one middle school with grades 7 through 9, and one middle school with grades 7 and 8. Finally, VVUHSD offers an education center which provides alternative learning choices including a continuation school, adult education, and county community day school.

Our urban district supports the needs of approximately 10,000 students and their families. The district serves an ethnically diverse student body with the five largest ethnic groups of Hispanic/Latino (62.9%), African American (20.8%), White (8.9%), two or more races (2.4%), and Asian (2.2%). The socioeconomic status of the families living within the district boundaries is lower than many surrounding communities. VVUHSD currently has a socioeconomically disadvantaged rate of 83%. When looking at the socioeconomically disadvantaged rate by school, the range is significant, with the lowest school at 70% and the highest school, 93%.

Our staff is committed to providing all students with the opportunity to perform to their fullest potential while ensuring there are minimal differences between the achievement levels of students by race, gender, or economic levels. This includes giving all students access to a well-rounded, rigorous curriculum that is research-based and data-driven and supported by socio-emotional support initiatives, while effectively and efficiently operating within our fiscal accountability system. Our goal is to provide on-going professional development to enhance each site's capacity to continually adjust their teaching practice in response to student performance data. Our focus reflects the expectations of the California's College and Career-Readiness Standards, the California State Standards, the LCFF 8 State Priorities, the California School Dashboard and our local assessments. Our final commitment to our school community to provide a safe and clean environment to support student learning. Additional evidence of our progress may be accessed via our School Accountability Report Cards (SARCs) at www.vvuhsd.org.

Mission Statement

As the unifying agent of our community, steeped in more than a century of commitment to student achievement, the Victor Valley Union High School District will provide students a high-quality education in a safe environment, cultivating skills necessary for success through the promotion of integrity, creativity and collaboration, inspiring them to reach their full potential and become productive global citizens.

Our district is guided by a strategic planning process, board policy, and the Local Control & Accountability Plan (LCAP) priority areas.

Strategic Planning Process

Strategic planning is a process by which an organization determines its core beliefs, leading to the formulation of a mission statement, objectives and strategies. Following are the strategies decided upon by the group.

Victor Valley Union High School District Strategic Plan Strategies:

1. We will consistently implement **policies and procedures** system-wide.
2. We will expand **professional development** offerings for all staff to enhance student achievement.
3. We will expand pathways for **college and career readiness**

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

The LCAP Advisory Committee, student, teacher and parent stakeholder groups provided extensive insight into the myriad of state and local data presented throughout the course of the 2016-2017 school year. The release of the California School Dashboard in March of 2017 also provided valuable data toward the revision of the current LCAP. The areas in which the stakeholders identified as significant in term of need are:

- VVUHSD must increase the overall academic achievement and acquisition of the English language for all English Learner (EL) Students. The data indicated the need for quality teaching of English Learners through the use of professional development district-wide to support English language learners and their teachers with differentiated and structured approaches to engage and accelerate students' academic literacy and content knowledge. There must be a systemic and ongoing system of monitoring and intervention for Long-Term English Learner (LTEL) students who are not progressing academically or in English acquisition as well as continued monitoring and support for our Reclassified Fluent English Learners (RFEP) who are also performing below proficiency expectations. (Goal 1, Action/services 1.5 & 1.6, Goal 4, Action/service 4.11 and Goal 5, Action/service 5.3)
- VVUHSD must increase and improve upon the research-based strategies used in the implementation of California State Standards in English, Mathematics, NGSS and the new History Social Science framework. The district must continue to provide California State Standards aligned adopted texts and supplementary materials for teachers and students to ensure the successful implementation and learning of the common core expectations of collaborating, communication, creativity and critical thinking through the use of 21st century skills. Professional development in engagement strategies will provide increased school connectedness as measure by the California Health Kids Survey and support a reduction in the number of grades of "D" and "F" therefore increasing the likelihood students will graduate from high school on time and prepared for college and career. (Goal 1, Action/service 1.9, Goal 2, Action/service 2.1 and Goal 5, Action/service 5.3)
- VVUHSD must facilitate a reduction in suspension and expulsion, increase student attendance and increase graduation rates through the alignment of all services normally under the supervision of the Student Services Division. These targeted programs and policies will be consolidated and revised under a Director of Comprehensive Student Support. The district Strategic Plan outlines in Strategy 1 a need to consistently implement policies and procedures system-wide, including an effective process to foster student attendance. The data indicates a need to focus and consolidate our efforts in utilizing the SARB process to address chronic absenteeism and collaborate with an outside provider "Attention2Attendance" to increase communication and notification to parents and guardians about student attendance issues. We also must revise and implement a discipline matrix with clear areas of focus on alternative means of correction, restorative justice practices, Multi-Tiered Systems of Support, Positive Behavior Intervention and Support, and mental health support used district-wide to address student behaviors which interfere with learning and instruction. There is a significant need districtwide for further professional development in cultural proficiency and the use of the collaborative partners to continue our growth and understanding of the community we serve. Finally, a safe environment is required to achieve the levels of learning we wish our students to attain. (Goal 1, Action/services 1.1 & 1.4, Goal 2, Action/service 2.2, Goal 4, Action/services 4.3 & 4.7, Goal 5, Action/service 5.3, Goal 7, Action/services 7.1 & 7.3 and Goal 8, Action/services 8.2 & 8.3)
- VVUHSD must ensure that technology resources are integrated across the curriculum and are woven into the fabric of instruction. Students must use appropriate technology to access worldwide resources in order to become productive learners. They must be able to use technology in all of its forms to access and analyze information for content, relevancy and accuracy and be able to present that information in a myriad of formats. To achieve this, we must ensure that all teachers have the skills and knowledge to deliver quality curriculum and instruction to meet the needs of all students. We must empower our educators and students to be ready for innovations in digital content creation, virtual collaboration, and mobile learning. With the advent of modern technology choices in education, we will need a robust infrastructure that supports high speed networks, usage of smart devices for mobile learning and our classrooms must use industry standard equipment, and tools including computers, digital media, smart devices, instructional applications, and classroom management software. (Goal 1, Action/services 1.11, 1.12 & 1.16, Goal 4, Action/service 4.2, Goal 5, Action/service 5.3 and Goal 6, Action/service 6.2)

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

The LCAP Advisory Committee as well as additional stakeholder groups have reviewed significant data related to the LCAP goals, LCAP actions/services, state metrics and indicators and have determined the following areas of greatest progress:

- Increase of student enrollment in A-G coursework, therefore an increase in the number of students completing the A-G requirements to enter into a California State University or University of California setting. The increase noted has been 3.2% from 2014-2015 to 2015-2016 with a goal of increasing it by 5% annually until VVUHSD is equal to or above state average which is 45.4%. In addition, VVUHSD is increasing the number of courses that are A-G approved, with significant work in the area of Career Technical Education. The number of CTE courses available to students has increased from 39 in 2014-2015 to 48 in 2016-2017.
- Reduction of suspensions/expulsions based on data from the California School Dashboard as well as local data. Expulsions have experienced a significant reduction due to other means of correction and the district-wide implementation of PBIS.

GREATEST PROGRESS

- The suspension rate for our schools has experienced a steady decline. The district still desires an even lower rate based on the California Model Five-by-Five Placement report and the data still show a disproportionality with target student groups. There is still clear evidence for the need for training and school site support in areas such as other means of correction, PBIS and cultural proficiency.

2016-2017 Total Suspensions (students, incidents & days) as of April 12, 2017

- Victor Valley Union High School District increased in the number of students enrolled in AP courses from 709 in 2011-2012 to 1,099 in 2015-2016. We currently have 1,292 students enrolled. The district is ensuring the socio-economic difficulties of our community is not a barrier for students being able to attempt the A.P. exam for courses in which they are enrolled by dedicating a significant portion of the College Readiness Block Grant to pay for the AP exam for all students. The number of AP exam taken in 2015-2016 were 1,999 with 468 or 23% receiving a score of 3 or higher. This pass rate is an increase of 27.9% or 130 students over the number of passing score the year prior. AP is an area of significant progress for our district.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

The LCFF evaluation rubrics and the California School Dashboard have clearly indicated areas of greatest need in the following areas:

1. The VVUHSD Suspension Rate indicator reported 1 school in red (very high rate of suspension) for the data reporting year of 2014-2015. The district overall indicator is yellow (very high, 14.5% but declined significantly by 3.9%). Local data for 2015-2016 indicates a suspension rate of 9.0% and currently as of April of 2017, a suspension rate of 5.4%.
 - In response to the data the LCAP goals and actions/services outlined several initiatives in order to continue the reduction of suspensions for all students. The establishment of a Director of Comprehensive Student Support with the responsibility of monitoring suspensions monthly and providing support and professional development in other means of correction will positively impact the rate of suspension. The implementation of a CEIS plan that will include training in Multi-Tiered Systems of Support will also provide the additional training needed for staff to identify at-risk student behavior early, intervene and implement the appropriate supports to help students modify and reduce disruptive conduct at school and in the home. The district is employing Family Engagement Liaisons and creating parent centers at all school sites in order to support families with finding and accessing the services they need to support the school in the achievement and success of their children. The decrease of counselor to student ratio is also a need. A clear focus on disproportionality is required with continued professional development in cultural proficiency. (LCAP Goal 1)
2. The VVUHSD English Learner Progress indicator reported 2 schools in red (very low progress) and 4 schools in orange (low progress) and the overall student performance indicator for English learner Progress K-12 is orange signifying an area of need for additional support and focus on all English Learners in the district.
 - In response to the data, VVUHSD is planning district-wide professional development in the area of quality teaching of English Learners. The Coordinator for English learners will begin monthly meetings with the school site EL coordinators to ensure the monitoring and intervention of EL students. A monitoring tool is in development for both EL students and RFEP students that will be completed quarterly to provide data and feedback on student progress and current interventions. (LCAP Goal 1, Goal4)
3. The VVUHSD Graduation Rate indicator reported 1 school in red (very low 78.7%) and 1 school in orange (low 79.2%) for the data reporting year of 2015-2016. The district overall indicator is orange (low 82.8% and declined 1.5%) with 7 target student groups in the low or very low category as well, English Learners, Socio-economically disadvantaged, African American, Hispanic, White, and Students with Disabilities and Asian respectively. The district dropout rate is 21.2% for 2015-2016 which is currently higher than the state average of 9.8% and the county average of 10.4%. The dropout rate has risen from 17.2 in 2011-2015 which is a 4% increase.
 - In response to the data, VVUHSD is increasing planning the support and training of school site counselors as well as continuing with the employment of dedicated Intervention Counselors. There will be continued professional development in the area of Professional Learning Communities in order to provide site leadership the tools necessary to support the PLC teams and use the PLC process to increase student achievement through the ongoing and cyclical use of data to inform instruction. There is a focus in the LCAP for improved services in the area of credit recovery with online learning and expanded independent study in order to provide student increased opportunities to meet graduation requirements. The Goodwill Education Center is also creating a plan to redesign their learning program to provide more flexibility and additional opportunities for students to earn credit towards graduation. In addition, there is the planned expansion the adult education program to recover adult students who may be 18 years of age but behind in credits towards graduation and need an alternate program to the continuation school setting. (LCAP Goal 1, Goal 3, Goal 4, and Goal5)

4. The VVUHSD English Language Arts indicator reported 1 school in red (very low 74.9 points below level 3) and 1 school in orange (low 23.3 points below level 3) for the data reporting year of 2015-2016. The district overall indicator is yellow (low 42.6 points below level 3) but experienced a 2.1 point increase from the prior year. The LEA currently has 2 target student groups in the low or very low category as well, English Learners and African American, respectively.
 - VVUHSD will continue to provide high quality professional development in the implementation of the California State Standards through the use of rigorous curriculum design and curriculum advisory committees. There will be ongoing support in the implementation of the new standards-based textbook adoption *MyPerspectives* by Pearson. The district will redesign the current walkthrough data collection tool to provide evidence of standards-based instruction as well as engagements strategies. The district and school sites will use data from the state assessments as well as the embedded assessment program in *MyPerspectives* to provide information to teachers to make informed decisions about instruction and implementation of RtI. (LCAP Goal 1)
5. The VVUHSD Mathematics indicator reported 1 school in orange (low 128.9 points below level 3 with a 14.4 % increase from prior year) for the data reporting year of 2015-2016. The district overall indicator is yellow (low 92.3 points below level 3) but experienced an 11.6 point increase from the prior year. The LEA currently has 2 target student groups in the low or very low category as well, English Learners and Socioeconomically Disadvantaged, respectively. The district and school sites will use data from the state assessments as well as the embedded assessment program in *MyPerspectives* to provide information to teachers to make informed decisions about instruction and implementation of RtI.
 - VVUHSD will continue to provide high quality professional development in the implementation of the California State Standards and the Eight Mathematical Practices through the use of rigorous curriculum design and a curriculum advisory committees. There will be ongoing support in the implementation of the new math standards-based textbook adoptions *GoMath* by Houghton Mifflin Harcourt and *Carnegie Learning* by Carnegie/ProLearning. The district will redesign the current walkthrough data collection tool to provide evidence of standards-based instruction as well as evidence of the eight mathematical practices. The district and school sites will use data from the state assessments as well as the embedded assessment program in both textbook adoptions to provide information to teachers to make informed decisions about instruction and implementation of Response to Intervention. (LCAP Goal 4)

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

PERFORMANCE GAPS

California School Dashboard provides valuable data regarding districtwide performance for VVUHSD in the following areas:

- Graduation Rate = Orange, Low Status of 82.8% and declined 1.5%
- English Language Arts = Yellow, Low Status of 42.6 point below level 3 and maintained with a 2.1% increase.
- Mathematics = Yellow, Low status of 92.3 points below level 3 and increased 11.6 points.

When comparing significant target students groups (30 or more students in a group), against the district-wide population, the following groups were found to be performing below the district-wide performance level:

- The data does not highlight a significant performance gap in graduation rate district-wide. All groups performed at orange or red. This indicates a clear need for intervention district-wide for all student in reaching the goal of graduating on time and college and career ready.
- In English Language Arts, the target group of African American demonstrated a significant performance gap by falling into the Red category and averaging 73.2 points below level three. A second group that performed significantly lower is the Students with Disabilities, who scored 143.6 points below level three, although they did not receive a color designation based on the rubric.
- In Mathematics, the target group that scored two levels below district-wide proficiency is English Learners. The group is designated as Red and scored 118.2 points below level three and maintained minimally with an increase of 0.9 points.
- Students who are English learners, foster youth or low-socioeconomic are still performing below their counterparts but not at rates that are two or more performance standards difference.

In response to the California School Dashboard, the Educational Services team scheduled collaboration conversation and planning sessions with each of the school sites to review the data and address areas of concern and significant performance gaps at each site. The tool used to analyze the data was the Strengths, Weakness, Opportunities and Threats (SWOT) form which guided the team to conduct an in-depth analysis of their Strengths, Weakness, Opportunities and Threats in regards to student academic achievement at each school. Each school will use the data analysis results as well as school specific goals and objectives (i.e.: WASC areas of identified need, the district Technology Plan, the district CEIS plan, etc.) to adjust their Single Plan for Student Achievement which also aligns to the LCAP. School will participate in district-wide initiatives that support student learning such as PBIS, Professional Development, MTSS, EL/RFEP monitoring, etc. but also create site specific objectives to ensure specific site needs are being addressed.

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

- The district has established a strong focus on English Learners by implementing district-wide professional development in the teaching and support for EL and RFEP students as well as redesigning and implementing a monitoring programs that will provide indication of struggling student performance in order to provide early and proper interventions.
- The population of students identified as foster youth has grown in the high desert region and the professional development with ACSA Equity Institute in the areas of socio-emotional wellness and cultural proficiency will help our staff address the concerns of low student achievement and growing behavioral issues within this target group.
- The district is committed to decreasing the counselor to student ratio and providing targeted training for Title I intervention counselors to increase the achievement of fragile and targeted student learners. This will also provide support for college and career readiness.
- The addition of a coordinator of comprehensive student support will allow the district to focus their efforts in a targeted and laser-like approach ensure students' needs are being met inside and outside of the classroom.

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION

AMOUNT

Total General Fund Budget Expenditures for LCAP Year	\$121,105,362.52
--	------------------

Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$8,035,790.00
---	----------------

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The \$113,069,752.52 covers salary and benefits for personnel who are not part of the increase or improved services for high need students. The budget also cover many additional expenses in the day to day functioning of the school district including overhead for facilities upkeep, utilities, and various contract for services not directly related to increased or improved services.

\$103,150,951.00	Total Projected LCFF Revenues for LCAP Year
------------------	---

Annual Update

LCAP Year Reviewed: 2016-2017

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Increase the number of students who graduate, on time, with viable college and career options.

State and/or Local Priorities Addressed by this goal:

STATE ☒ 1 ☐ 2 ☐ 3 ☒ 4 ☐ 5 ☒ 6 ☒ 7 ☒ 8

COE ☐ 9 ☐ 10

LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

1. Increase the number of pupils who are on track to graduate from VVUHSD college and career ready

Metric: Student Achievement / Student Engagement / Performance on CAASPP, Graduation Rate, Graduates completing UC/CSU Required Courses, AP Enrollment, AP pass rates, EAP results

Metric: Course Access/ Aeries data on course enrollment

Local Metric: Other Student Outcomes/ Semester grades/ Benchmark data

2. Provide for a 2% increase in graduation for the following target groups: Hispanic, Asians, Filipino, African American, White, English Learners, Special Ed Low Income and Foster Youth

Metric: Student Achievement / Student Engagement) / Performance on SBAC tests, Graduation rates, Graduates Completing UC/CSU Required Courses

3. Reduction in the Dropout rate by 2% for all target groups

Metric: Middle School Dropout rate. High School Dropout rate, High School Graduation rate

ACTUAL

Metric Outcomes, Most Recent Official Data Available				
Description	2014-2015	2015-2016	2016-2017	Met/Not Met 14/15 to 15/16
CAASPP Proficiency ELA Grade 7	30.0%	32.0%		Met
CAASPP Proficiency ELA Grade 8	32.0%	31.0%		Not Met
CAASPP Proficiency ELA Grade 11	47.0%	45.0%		Not Met
CAASPP Proficiency Math Grade 7	13.0%	18.0%		Met
CAASPP Proficiency Math Grade 8	16.0%	14.0%		Not Met
CAASPP Proficiency Math Grade 11	21.0%	17.0%		Not Met

4. Increase pupil attendance by 2%

Metric: Student Engagement/ School Attendance, Chronic Absenteeism rates

5. Reduce the number of suspensions by 3% district-wide and for all target groups

Metric: School Climate Student / Suspension rates

Metric: Student Achievement/ Graduates Completing UC/CSU Required Course

Metric: Student Achievement/ CAASPP and Subgroup Performance

Local Metric: Aeries data on enrollment

6. Increase enrollment in AP Courses by 2%

Metric: Student Achievement/ Share of students enrolled in AP courses

7. Increase AP pass rate by 2%

Metric: Student Achievement/ Share of students that pass AP exams with a 3 or higher

8. Monitor the rate of college bound pupils

Metric: Student Achievement/Graduates Completing UC/CSU Required Courses

9. Continue partnership with UC Berkeley Chancellor's Office for Destination College

Local Metric: Contract with Destination College/ Student Surveys

10. Pupils provide their voice through forums and surveys

Local Metric: California Healthy Kids Survey/ Student Surveys

11. Increase by 3% of pupils attaining proficiency as measured by CASPP in grades 7, 8, and 11 in ELA and Math

Metric: Student Achievement/ Performance on CAASPP and Subgroup Performance

12. Decrease by 5% the number of pupils receiving a letter grade lower than C- in both ELA and Math

Metric: Other Student Outcomes/ D and F lists and student academic warnings

Local Metric: Aeries achievement data for core subject areas

13. Maintain and expand pupil internship opportunities through ROP

Local Metric: ROP/ CTE enrollment data and Perkins Grant data

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1.1.17

Actions/Services

PLANNED

Align course offerings to provide all students the opportunity to complete the UC/CSU and CC entrance requirements for graduation and / or a district approved alternative career pathway beginning with the class of 2021.

ACTUAL

Monthly counselor meetings were resumed in 2016-2017 and the goal of increasing the number of students enrolled in A-G approved courses, and encouraging more rigorous student academic plans were discussed and revisited frequently. Counselors receive training on the development and expansion of career pathways at all school sites. School sites also held career technical education expos at several locations to encourage enrollment in pathways.

Expenditures

BUDGETED
\$0

ESTIMATED ACTUAL

Action 1.2.17

Actions/Services

PLANNED

Provide specific professional development to support equitable access to UC/CSU/CC entrance for all counselors and career support staff.

ACTUAL

Counselors and career support staff attended various conferences and workshops related to college and career student support. The district utilized Title II funding to provide the professional development and was able to reserve the Title I funds for future use. School sites used additional funds to provide counselors with additional professional development.

Action **1.8.17**

Actions/Services

<p>PLANNED</p> <p>Provide every site with resources necessary to build a college-going environment at all schools with a focus on identified target groups.</p>	<p>ACTUAL</p> <p>Schools employed a variety of activities and programs to focus efforts on raising awareness of attending college and the requirements to apply to college. As an example, Lakeview L.A. used <i>The Leader in Me</i> program to guide activities; AVID strategies were employed in nearly all classes; 9th graders were counseled with 4-year plan and then a second time if they became credit deficient; and the principal discussed grades with all 9th graders throughout the year. The school sites implemented programs based on professional development training and additional expenses were not incurred. LCAP funds were funded a college visit to Victor Valley C.C. as a support for the college going environment but no additional instructional materials were purchased.</p>

Action **1.11.17**

Expenditures	PLANNED Provide academic and career counseling to assist pupils.		ACTUAL All grade 9 students discussed the 4-year plan and graduation requirements with their counselor; the Intervention Counselor met with each credit deficient student and with those needing summer school.	
	BUDGETED	\$0	ESTIMATED ACTUAL	\$0

Action **1.12.17**

Actions/Services	PLANNED Provide electronic databases for increased access to expository texts.	ACTUAL Teachers and students have been afforded access to Cengage's expository database. Between 2014-15 and 2016-17, we have maintained a consistent use district-wide, as measured by minutes of use, sessions, and retrieval of data. Funds from this account were under-utilized, due to the fact with three new adoptions recently, many of the electronic databases are included in the contract.
	\$27,000 Res.3010 Obj.5840 Mgt. LC01	ESTIMATED ACTUAL \$0 Res.3010 Obj.5840 Mgt. LC01

Action 1.13.17

Actions/Services	PLANNED Provide for necessary changes to infrastructure technology to stay current and meet the needs of students for college readiness.	ACTUAL TechEd eRate has made significant purchases to upgrade and improve the technology infrastructure at several school sites. The budget code was correct to 6140 and the funds were utilized to purchase additional equipment and contracted labor for installation.
	BUDGETED \$200,000 Res.0400 LCFF Obj.6450 Mgt.LC01	ESTIMATED ACTUAL \$261,396 Res.0400 LCFF Obj.6450 (Transferred to Obj. 6140) Mgt.LC01(LC02)

Action 1.14.17

Actions/Services	PLANNED Release time for teachers to refine and improve district pacing guides in ELA, Math, HSS and Science and extra duty for service on the Instructional Advisory Boards	ACTUAL VVUHSD successfully designed and implemented a series of Instructional Advisory Boards (IABs) to ensure teacher input and support for curricular decision-making and course offerings. All six ELA grade levels met numerous times throughout the year to refine their pacing guides, refine Rigorous Curriculum Design Units of Study, and align novel list and RCD units vertically and horizontally across grade levels and sites. Teachers at each site were also involved in Lesson Study. English Language Arts teachers met a total of 16 days or five distinct planning sessions at each grade level. Integrated I, II, and III worked on creating and revising RCD pacing guides and units

Expenditures

		during the school day. Several AP science teachers met for collaboration at the district office. AP History teachers also participated in collaboration across school sites as well. The title of the advisory groups was renamed to Curriculum Advisory Board for the 2017-2018 school year (CABs).

Action **1.15.17**

Actions/Services

PLANNED	Purchase additional instructional materials to assist Moderate to Severely disabled access to CCSS.	ACTUAL The LCAP designated specific finding to support the PAES job skills program for our Learning Handicapped program. The funds were to provide replacement materials for the job skills units. The program did not require replacement materials for the 20176-2017 school year, there for LCAP funds designated were not spent. The funds will be reserved and reallocated in the 207-2018 plan and materials are anticipated to be purchased.
BUDGETED	\$3,000 Res.0400 LCFF Obj.4310 Mgt.LC01	ESTIMATED ACTUAL \$0 Res.0400 LCFF Obj.4310 Mgt.LC01

Expenditures

Action **1.16.17**

Actions/Services

PLANNED
Provide credit recovery support for low income, at promise pupils at the high school sites

ACTUAL
The school sites provided credit recovery through two online programs, APEX and GradPoint. At-Promise students were identified by counselors and provided the opportunity to enroll in the online program for credit recovery. The funds set aside for each school site were for additional seats in the online program above and beyond the district contract, if needed. The district was able to enroll students in both APEX and GradPoint without using the additional funds set aside for targeted students. The funds will remain for the following year for increase credit recovery seats beyond the original contract totals.

Action **1.17.17**

Actions/Services

PLANNED
Monitor Suspension and expulsion rates.

ACTUAL
The school sites have designated an administrator to monitor suspension rates through Aeries using the discipline dashboard. The data is reviewed during administrative team meetings and shared with staff in order to reinforce the use of PBIS strategies and other means of correction. Expulsion rates are monitored by the expulsion process supervising administrator and shared with the LCAP Advisory Committee and Principals quarterly. The district has demonstrated a decline in suspensions and expulsions at all school sites for the previous two years.

Expenditures

ESTIMATED ACTUAL
\$0

Action **1.18.17**

Actions/Services

PLANNED
Increase the rate of reclassification of EL Pupils by 2% annually.

ACTUAL
Due to the change in Assessment Reclassification criteria, we were unable to reclassify as many students as we had originally anticipated. We are currently working with EL site coordinators to organize a plan to increase our EL reclassification numbers. The reclassification criteria was presented for board approval in April in order to facilitate this action/service. According to site data, an additional 57 English Learners have been reclassified during the 16-17 school year. The funding budgeted for catering services were not utilized this school year. Most parent engagement meetings were provided light refreshments in lieu of catering.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Actions and Services for Goal 1 were generally implemented as planned with a few exceptions, primarily due to the timeline for hiring of staff and unanticipated needs for additional staff to support full implementation of specific actions. Areas in which staff were impacted were action/service 1.10.17, the hiring of five intervention teachers, action/service 1.26.17 late hiring of the EL Coordinator and action/service 1.27.17, the partial employment of the second technology specialist position. In general, all other actions/services were implemented.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	When in engaging in a comprehensive overview of Goal 1 actions and services, the district must continue to focus and redesign supports for English Learners. The data provided by the California School Dashboard demonstrates a significant gap between the expected and actual performance of R-FEP students. In addition, the English Learner student group is performing below the district average as well as other target groups in areas including academic achievement, graduation rate and dropout rate.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	Material differences in estimated actual and budgeted expenditures were primarily due to staff salary schedules which, based on the particular employees filling specific positions significantly increased or decreased expenditure over original estimates. Positions were filled and vacated based on different timelines. In addition, it was recognized early in the year that the need for intervention teachers would require additional staff to support and fully implement the goal. Many of the actions and services were allotted funding from Title I in the area of professional development and training, but the district set aside significant funding in Title II which was used primarily to accomplish training objectives.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The majority of the actions and services in Goal 1 remain in place with minor modifications. A few actions and services were consolidated to support a new action/service in the new plan 1.7.17 and 1.23.17 were combined to create action/service 1.2; actions/services 1.20.17, 1.21.17, and 1.22.17 were combined to create action/service 1.4; actions/services 1.19.17 and 1.26.17 were combined to create 1.5; and actions/services 1.9.17 and 1.12.17 were combined to create 1.9. The following actions/services were removed because they are now institutionalized and have no financial impact on the plan: 1.4.17, 1.5.17, 1.6.17. Action/service 1.3.17 was embedded into action /service 1.7, 1.8 and 3.4. Action/service 1.11.7 is embedded in the job description of counselors and career technicians and does not need to continue to be an LCAP action. Action /service 1.17.17 was embedded into action/service 7.1.

Goal 2

Develop a family engagement and support program to educate parents and guardians about students' post-graduation options.

State and/or Local Priorities Addressed by this goal:

STATE ☒ 1 ☐ 2 ☐ 3 ☒ 4 ☒ 5 ☐ 6 ☒ 7 ☐ 8

LOCAL _____

ANNUAL MEASURABLE OUTCOMES

EXPECTED

1. Increase the number of pupils who are on track to graduate from VVUHSD college and career ready

Metric: Student Achievement ; Student Engagement/ Performance on CAASPP, Graduation Rate, Graduates completing UC/CSU Required Courses, AP Enrollment, AP pass rates, EAP results

Metric: Course Access/ Aeries data on course enrollment

Local Metric: Other Student Outcomes/ Semester grades

2. Provide for a 2% increase in graduation for the following target groups: Hispanic, Asians, Filipino, African American, White, English Learners, Special Ed Low Income and Foster Youth

Metric: Student Achievement; Student Engagement) / Performance on SBAC tests, Graduation rates, Graduates Completing UC/CSU Required Courses

3. Reduction in the Dropout rate by 2% for all target groups

Metric: Student Engagement/Middle School Dropout rate, High School Dropout rate, High School Graduation rate

4. Increase pupil attendance by 2%

Metric: Student Engagement/ School Attendance, Chronic Absenteeism rates

5. Reduce the number of suspensions by 3%

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **2.1.17**

Actions/Services

PLANNED

Invite parents to participate in college field trips with their students at both the middle and high school level.

ACTUAL

Many school sites invited parents to attend college trips but transportation for many of our families is an issue. Many schools used

Expenditures			their site Title I funds to arrange transportation and therefore the district funds were not utilized. Schools offered to pay for entry fees and provide materials for parents interested in college trips. In September, the EL Program coordinated a trip for female students and their parent/guardians to attend the Third Annual High Desert Latina Summit. College trips included campuses such as Victor Valley College, Cal State Fullerton, Cal Poly Pomona, UC Riverside, UC Irvine, Pasadena City College, UCLA and more. Many school sites accessed site Title I funding through their SPSA.

Action 2.3.17

Actions/Services

PLANNED

Hold annual meetings, led by certificated staff, with parents to educate / update parents on their child(ren)'s progress towards graduation and/ or college & career readiness.

ACTUAL

Individual school sites held annual meetings with parents to educate / update parents on their child(ren)'s progress towards graduation and/ or college & career readiness. Students are monitored by teachers, counselors, and administration. Meetings are held with students and parents when students have multiple academic warnings. Family Engagement Liaisons also supported this action/service by providing parents with information and evening events in this area. School sites did not utilize additional funds for these types of annual, reoccurring events. The money allocated through the LCAP planning process was not utilized by the site and will be reallocated in the 2017-2018 plan. The district will collaborate with school sites to track expenditures by the school sites if they incurred additional expenses for this action/service and if LCAP funds are not utilized in 17-18 plan.

Action 2.4.17

Actions/Services

PLANNED
Offer College & Career events that involve parents, such as: College Application Workshops (Grades 11-12), College Information Workshops (Grades 9-12), Financial Aid Workshops (Grades 11-12), FAFSA Workshops (Grade 12), Scholarship Workshops (Grades 10-12) and K-16 Bridge Information Evenings.

ACTUAL
Presentations are held throughout the year to prepare students for college and career readiness. Counselors annually put on grade level parent informational nights to share graduation requirements and navigating the world of higher education including application deadlines, financial aid, FAFSA and more. Workshops are held in the school site Family Engagement Centers focused on College & Career Readiness. Guest speakers have included College & Career Technicians to present information to parents to learn about the functions of a College & Career Center and what is available for their child and community members such as Wealth Preservation Advisors, LLC, present to parents on College Funding. Presentations have also included information for parents about Khan Academy and Bridge Programs to support their students with preparation for college entrance exams and higher achievement in the classroom. School sites also used site funding to provide refreshments as an incentive for parent participation.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and Services for Goal 2 were implemented as planned with a few exceptions, primarily due to the funding available for staffing. Areas in which staff were impacted were action/service 2.5.17, the hiring of Career Technicians. Only 3 were able to be funded but the action/service will remain in the plan. Action/service 2.7.17 was not implemented due to lack of parent interest. Action/service 2.10.17 was not fully implemented due to unforeseen challenges in establishing consistent parent representation at the District Advisory Committee (DAC) meetings. In general, all other actions/services were implemented.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

When in engaging in a comprehensive overview of Goal 2 actions and services, the district must continue to focus on increasing parent involvement through the increased utilization of the Career Technicians, Family Engagement Liaisons, and Destination College Advisors. There was successful engagement of parent throughout the year at school site organized events such as Parent Institute of Quality Education (PIQE). Parent were involved in ELAC, SSC, DELAC, DAC, the SBCSS African American Task Force, Latina Summit, and CABE.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Material differences in estimated actual and budgeted expenditures were primarily due to staff salary schedules which, based on the particular employees filling specific positions significantly increased or decreased expenditure over original estimates. In addition, it was recognized early in the year that only three Career Technicians would be funded for action/service 2.5.17. In addition, school sites reevaluated their needs for a Destination College Advisor and only three school sites chose to complete the contract for services with UC Regents. Many of the actions and services did not require funding for implementation. Action/service 2.1.17, 2.4.17, and 2.6.17 utilized funding primarily from site budgets. The annual parent survey originally was not budgeted but, in order to meet the new state local indicator for climate, the district contracted with WestEd to provide surveys to parents, staff and students. This was paid out of general fund.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The majority of the actions and services in Goal 2 remain in place with minor modifications. A few actions and services were consolidated to support a new action/service in the new plan. Action Service 2.1 replaces action/service 2.18.17. Action/service 2.2 consolidates actions/services 2.6.17 and 2.9.17. Action/service 2.3 replaces 2.4.17. Actions/service 2.4 consolidate 2.2.17 and 2.3.17. Action/service 2.4 replaces action/service 2.5.17. Action/service 2.6 replace action/service. Action/service 2.7 is new to the plan. Actions/services 2.8.17 has been move to goal 1, action/service 1.4. Action/service 2.7.17 has been removed from the plan.

Goal 3

Provide and encourage extensive career exploration opportunities through increased elective offerings and academic guidance.

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☒ 3 ☒ 4 ☒ 5 ☒ 6 ☒ 7 ☐ 8

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **3.1.17**

Actions/Services

PLANNED
Assure, through the Bridge Program, aligned with Victor Valley College, the priority registration for our students in the fall following their senior year.

ACTUAL
Each comprehensive high school designates a counselor as a "Bridge Counselor" in order to facilitate the Bridge Program. This program is designed to increase the number of students who receive priority enrollment at Victor Valley College. As of the drafting of this document, approximately 317 students have been linked to Victor Valley Community College for enrollment in the fall. This action/service did not require additional funding as previously anticipated, the action/service was accomplished through the daily function of the counselors assigned to the program. The funding will be reallocated in the 2017-2018 LCAP.

Expenditures

	PLANNED Explore greater opportunities for the district and business community to strengthen ties.		ACTUAL The office of Career Technical Education has worked towards helping school sites strengthen their ties to the business community in order to establish partnerships for internships and externships. These student learning opportunities enhance college and career readiness.	
	BUDGETED \$45,367 Res. 6520 Obj. 2410 Mgt.LC03 \$25,867 Res. 6520 Obj. 3xxx Mgt.LC03		ESTIMATED ACTUAL \$45,822 Res. 6520 Obj. 2410 Mgt.LC03 \$27,575 Res. 6520 Obj. 3xxx Mgt.LC03	

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and Services for Goal 3 were implemented as planned. Through our action/services, Victor Valley Union High School District has experience success in in the expected annual measurable outcome for increasing the opportunities for our students to develop skills and knowledge in career fields through our CTE program. We have experience an increase the number of students enrolling in, and completing, CTE classes at all comprehensive high schools. Next steps include supporting the increase in career pathways completers as well as increased articulation for dual enrollment in CTE related courses at the local community colleges. Vocational education courses are being redesigned to meet CTE standards and embed common core standards to increase the rigor and attain A-G status for UCOP. Although all action and services were implanted as planned, the impact on dropout rates will be determined by future dropout rate data, once reported by the state. VVUHSD is anticipating a decrease in the dropout rate for our district as well as target groups of students.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

When in engaging in a comprehensive overview of Goal 3 actions and services, the district must continue to focus on enhancing the career technical education pathways in order to help students meet the college and career state indicator as "prepared." District local data indicates students are below county and state average for completing the A-G requirements in order to enroll directly into a college or university of their choice after graduation. VVUHSD must continue to establish a stronger emphasis on college and career counseling at every school site.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Material differences in estimated actual and budgeted expenditures were primarily due to school sites utilizing Title I and other funding to complete the actions/services. The original budget for the Bridge Program was not necessary in order for the district and schools to participate. Many of the actions and services did not require funding for implementation.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The majority of the actions and services in Goal 3 remain in place with minor modifications. Action/service 3.1.17 was modified to included fiscal support for Bridge counselors to complete the additional duties related to the Bridge program and is action/service 3.1. Action/service 3.2.17 was modified to include the increase of concurrent and dual enrolment opportunities for student and is now action/service 3.2. Action/service 3.3.17 was modified to include the financial implications of study trip and which students are targeted. This in now action/service 3.3. Action/service 3.4.17 in now action/service 3.4 and was modified greatly to include a focus on career pathways, middle school CTE programs, and strong alignment to college and career readiness.

Goal 4

Expand interventions to graduate students, on time, prepared for college and career.

State and/or Local Priorities Addressed by this goal:

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **4.1.17**

Actions/Services

PLANNED

Continue and expand programs to encourage and reward positive attendance, as well as focus on chronic absenteeism with parent meetings, SARB, and home visits.

ACTUAL

Attendance and its importance was discussed at many parent meetings, including but not limited to Cafecito (Coffee) with the Principal, ELAC, DELAC, SARB, Expulsions, etc. Resources to assist parents in understanding the importance of regular attendance was also provided to the families. The district is exploring "Parenting the Love and Logic Way". This will be a series of classes that parents would take to provide tips and strategies to enhance their communication and relationship with their child in a fun way which in turn helps the student academically as they learn how to make better choices at home and

Expenditures			school. This will also help parents and families of SARB'd and expelled children as an intervention as well as a re-entry requirement. The district contracted with School Innovations for Attention2Attendance.	
	BUDGETED	\$16,000 Res.3010 Obj.4310 Mgt.LC04	ESTIMATED ACTUAL	\$45.050 Res.0000 Obj.5808 Mgt.LC

Action 4.2.17

Actions/Services	PLANNED Student access to our student information system to begin in Grade 7 to foster buy-in and responsibility for their own student performance.		ACTUAL Students in grades 7 – 12 have access to the Aeries student information system beginning with the first day attendance. Students to access attendance, gradebook assignment and grade reports throughout the school year. The process for student access requires the use of a user email and password with a verification code. The district is moving toward the use of a student district email to automate the access process and create faster access and increased use of the portal. The goal of the TechEd department is to remove as many barriers as possible for the access to technology in the district.	
	BUDGETED	\$0	ESTIMATED ACTUAL	\$0

Action 4.3.17

Actions/Services	PLANNED Provide a transition day for incoming students (elementary to middle and middle to high).		ACTUAL The Educational Services team has designed a two week program beginning in the 2017-2018 school year that will provide over 200 incoming grade 9 students the opportunity to receive skill remediation as well as earn elective credits for a newly design course, "High School Academic Connections." The transition program will be embedded into the summer school program and additional funding was not used to provide refreshment or supplies. This will be covered through the Title I summer school funding. The transition activities for grade 9 and grade 7 students provided at school sites were covered by school site Title I funds set aside through their SPSAs.

Action **4.4.17**

Actions/Services

PLANNED
Create 7th / 0 period SAT and ACT Prep classes at the high school level.

ACTUAL
The creation of 0 or 7th period classes to provide ACT or SAT preparation was not completed this year. Schools provided ACT and SAT preparation though the use of the online tutoring options through the APEX program. Classroom teachers and the AVID program teachers helped students enroll and engage with the online tutoring opportunities in APEX and College Board with Khan Academy. After school tutoring was provided through SESV funding at Silverado HS, Cobalt I.M.S., Victor Valley HS, University Prep, and Adelanto HS.

Action **4.6.17**

Actions/Services	PLANNED Offer mock SAT and ACT exams at the high school level.	ACTUAL This action/service was not completed this school year and will be removed from the plan. The district is embedding the PSAT, SAT into the regular school schedule for college readiness assessment through the College Readiness Block Grant.
	BUDGETED Site funded \$20,250 Res 3010 Obj .1130 Mgt 0000	ESTIMATED ACTUAL Site funded \$0 Res 3010 Obj .1130 Mgt 0000

Action **4.7.17**

Actions/Services	PLANNED Support / Encourage students to exceed the minimum A-G requirements and take additional years of core classes.	ACTUAL The counseling staff has continued to promote college going expectations as outlined in the district Strategic Plan. The number of students completing the coursework to meet A-G requirements has risen from 23.3% in 2014-2105 to 26.5% in 2015-2016. The expectation of a similar rise in A-G coursework enrollment and completion is expected for the graduating student cohort of 2017. Counselors are providing informational meetings in the evenings to parents and guardians about the importance of students enrolling in, and completing satisfactorily with a grade of “C” or better, in A-G courses.

Expenditures	BUDGETED	ESTIMATED ACTUAL
	\$0	\$0

Action **4.8.17**

Actions/Services	PLANNED Staff two Math TOA to ensure support for all Math teachers and students.	ACTUAL The district flew the positon of TOA Middle School Math Coach and TOA High School Math coach multiple times during the 2016-2017 year and struggled to find qualified candidates. The positon of Middle School Math Coach was filled during the final four months of the school year. The district will continue to search for a TOA High School Math Coach through the summer of 2017 in order to fill the position for the 2017-2018 year.
	BUDGETED \$199,162 Res.3010 Obj.1110 Mgt.LC04 \$68,478 Res. 3010 Obj. 3xxx Mgt.LC04 Site funded 343 25% 344 25% 346 25% 435 25% 431 33.30% 434 33.30% 439 33.30%	ESTIMATED ACTUAL \$74,688 Res.3010 Obj.1110 Mgt.LC04 \$13,659 Res. 3010 Obj. 3xxx Mgt.LC04 Site funded 343 33% 344 33% 435 33%

Expenditures

Action **4.9.17**

Actions/Services	PLANNED Videotape and share exemplary math teachers demonstrating best practices.	ACTUAL This Action/Service was not accomplished this year and it has been determined that the employment of the TOA Math Coaches provides opportunities for teacher self-reflection and videotaping is not necessary it this time. This action/service will be removed.

Expenditures	BUDGETED	ESTIMATED ACTUAL
	\$0	\$0

Action **4.10.17**

Actions/Services	PLANNED Expand summer school to offer enrichment classes.	ACTUAL Summer School has been expanded to include two school sites and a variety of offerings. The summer school master schedule has increased the number of enrichment courses by offering additional sections of Physical Education, Career Technical Education, Fine Arts, and Social Science. The course offerings in remediation and enrichment for summer have increased to provide greater access for students, including incoming grade 9 students with the new "High School Academic Connections" course developed in May.
	BUDGETED \$150,000 Res.3010 Obj.1130 Mgt.LC04 \$24,657 Res. 3010 Obj. 3xxx Mgt.LC04	ESTIMATED ACTUAL \$320,478 Res.3010 Obj.1XXX Mgt.LC04 \$76,554.72 Res.3010 Obj.2XXX Mgt.LC04 \$74,392 Res. 3010 Obj. 3xxx Mgt.LC04 \$28,559 Res. 3010 Obj.4XXX Mgt.LC04 \$730 Res. 3010 Obj.5808 Mgt.LC04

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and Services for Goal 4 were generally implemented as planned with a few exception primarily due to the timeline for hiring of the TOA MS Math Coach and the TOA High School Math Coach. The TOA MS Math Coach was hired late in the year and the TOA HS Math Coach position was never filled. Other actions/services, such as creating a 0 or 7th period SAT/ACT class for preparation were not financially feasible and the action/service was reached through other means such as APEX and Khan Academy. The actions/services deemed successfully completed

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

When in engaging in a comprehensive overview of Goal 4 actions and services, the district must continue to focus and redesign supports college and career readiness and mathematics proficiency. The data provided by the California School Dashboard demonstrates a significant gap for all student groups in the area of mathematic proficiency at all grade levels. The college and career readiness indicator for VVUHSD indicates only 19.9% of student graduates of the class of 2014 are prepared for college and career. An additional 16.3 % are approaching preparedness and 63.8% are not prepared. The current actions/services will impact the graduating class of 2017 and therefore the data to determine the efficacy of the actions/services will not be available for at least two years. The district is using local data and will be contracting with National Student Clearing House to determine student college/university entrance. The counselors and Career Technician will also support collecting information about student college application and entrance.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Material differences in estimated actual and budgeted expenditures were primarily due to staff salary schedules which, based on the particular employees filling specific positions significantly increased or decreased expenditure over original estimates. Positions were filled later in the school and or not filled due to lack of candidates. Many of the actions and services were allotted funding from Title I in areas where the action/service was provided at the specific school sites. School sites often used site Title I funding prior to accessing district Title I funding allotted in the plan. The areas in which the district spent more than the estimated funding were in online credit recovery programs such as APEX and GradPoint, as well as transportation for student to access before and after school support programs. The school sites increased the use of the APEX program for not only credit recovery but included additional student seat for access to the test preparation programs available for the SAT, ACT and AP. This constituted an increase in spending. Summer school budget increased dramatically by expanding the program to two school sites and nearly doubling our course offering. This increased staffing and supplies necessary to run the summer school program. The newly designed "High School Academic Connections" for incoming grade 9 students will also increase the money spent on summer intervention.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The majority of the actions and services in Goal 4 remain in place with minor modifications. A few actions and services were consolidated to support a new action/service in the new plan: 4.4.17, 4.5.17, 4.6.17 and 4.12.17 were combined to create action/service 4.5. The following action/services were removed because they are now institutionalized, have been embedded in other areas or have no financial impact on the plan: 4.2.17, 4.9.17, 4.10.17, 4.12.17, 4.13.17 and 4.14.17. Action/service 4.3.17 has been embedded in action service 4.9, action/service 4.11.17 is embedded in action/service 1.3 and action/service 4.13.17 is embedded in action/service 4.8.

Goal 5

Establish a collaborative culture amongst stakeholders for systematic, ongoing and supportive professional development to ensure student achievement and growth through highly qualified staff.

State and/or Local Priorities Addressed by this goal:

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **5.1.17**

Actions/Services

PLANNED

Establish a professional development committee that empowers stakeholders in the planning, implementation and coordination of professional development opportunities.

ACTUAL

The VVUHSD Educational Services team establishes an Adhoc Professional Development Committee in the spring to determine the needs of the staff for professional development. The staff is provided a survey to identify and target specific areas in content and instruction for professional development that begins with the two District Professional Development Days in August prior to the start of school and then continues throughout the year. The areas in which PD has been provided range from equity training with the ACSA *Equity Institute* to assessment with *CFA 2.0* provided by Corwin. Most PD was provided

Expenditures

		during the contractual day and substitutes were provided for release time. Other PD required staff to be paid extra duty to attend beyond the contractual day. The extra duty was paid through the professional development funds set aside through district Title II funding and therefore this projected budget was not utilized.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and Services for Goal 5 were generally implemented as planned. The successful implementation of the action and services resulted in the reduction of "D" and "F" grades in both English Language Arts and Mathematics which in turn will impact the students earning credits in order to be on track to graduate. The area also significantly impacted was the increase in the number of students challenging themselves with the more rigorous curriculum of Advanced Placement with increased enrollment and increase pass rates. The expected outcome for CAASPP proficiency rates varied with some target groups declined and other increasing. The goal of increasing the number of students achieving level 3 on the SBAC will remain for the 2017-2018 school year. Graduation rate will also continue to be an area of focus, and actions and service will be adjusted to employ additional strategies for credit recovery and alternative educational settings for our students.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

When in engaging in a comprehensive overview of Goal 5 actions and services, the district must continue to focus on providing high quality professional development based on staff feedback. The district and schools must engage in the consistent use of OMS in order track and evaluate professional development and event district-wide to provide data on the efficacy of professional development.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Material differences in estimated actual and budgeted expenditures were primarily due to school sites utilizing Title II and other funding to complete the actions/services. The district mainly utilized Title II funding in order to complete most professional development activities including the extra duty pay for attending committees and participating in PD beyond the contractual day. Action/service 5.2.17 originally did not have a budget therefore the OMS program was purchased through general funds.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The majority of the actions and services in Goal 3 remain in place with minor modifications. Goal 5.3.17 was significantly modified as new action/service 5.3. The modifications describe more specific details about the different areas of professional learning that will be provided and the delivery of the PD.

Goal 6

Establish district-wide uniformity in procedures, policies and materials to ensure effective implementation of district initiatives designed to increase student achievement.

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **6.1.17**

Actions/Services	PLANNED Define and promote VVUHSD expectations for staff, students and parents.	ACTUAL VVUHSD strives to promote the expectations for staff, students and parents through the use of many resources. The district website is the primary source of communication along with school websites. Every school has a parent/student handbook that outlines the expectations at each school site. This is an area for continued growth, but the district is committed to making this area a priority in the district Strategic Plan.
	BUDGETED \$0	ESTIMATED ACTUAL \$0

Action **6.2.17**

Actions/Services	PLANNED Maximize use of the district website as an essential tool to communicate and provide resources to all stakeholders.	ACTUAL The VVUHSD website provides resources to staff, students, and parents at the school site and district level. The website is used for communication and has now incorporated a feature under the <i>Our District</i> link called <i>Institutional Effectiveness Dashboards</i> , which provides information to the public in four areas; academics, discipline,

		student enrollment, and expenditures by school site.
Expenditures	BUDGETED \$13,700.00 Res.0400 Obj. 5840 Mgt. LC06	ESTIMATED ACTUAL \$1,870.00 Res.0400 Obj. 5840 Mgt. LC06

Action **6.3.17**

Actions/Services	PLANNED Provide annual training for all staff on district policies and procedures, as well as customer service expectations.	ACTUAL This action/service was not completed this school year and will continue to be in the LCAP and District Strategic Plan. A two-hour break-out session is planned for the district management team meeting in early June to address this action/service and continue with planning.
Expenditures	BUDGETED See Goal 5.4.17	ESTIMATED ACTUAL See Goal 5.4.17

Action **6.4.17**

Actions/Services	PLANNED Establish a committee to review and update protocols and procedures on an annual basis.	ACTUAL This committee was not convened this year due to staffing changes and other circumstances. This will remain an LCAP action/service and part of the district Strategic Plan.
Expenditures	BUDGETED \$1,000 Res.3010 Obj. 21xx 22xx 24xx 29xx Mgt.LC06 \$1,000 Res.3010 Obj.1130	ESTIMATED ACTUAL \$0 Res.3010 Obj. 21xx 22xx 24xx 29xx Mgt.LC06 \$0 Res.3010 Obj.1130

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Actions and Services for Goal 6 were partially implemented and will continue to be an area of focus in the new LCAP plan. Action/service 6.4.17 was not completed as originally intended due to staffing changes and the reorganization of district positions into different divisions.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	When in engaging in a comprehensive overview of Goal 6 actions and services, the district must continue to focus on effective communication of expectations by staff, students and parents to support the culture of learning and college/career readiness which VVUHSD is attempting to establish through the district Strategic Plan. The district must continue to focus on the training of all staff in the areas of customer service and their ability to ensure all district policies and procedures are followed with fidelity.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	Material differences in estimated actual and budgeted expenditures were primarily due to 6.3.17 being funded through action/service 5.4.17. The budgets for 6.2.17 was underutilized and there are plans to increase the website to provide enhanced services in this area. The budget for action/service 6.4.17 was not utilized because it was not implemented.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The majority of the actions and services in Goal 6 remain in place with minor modifications. Actions/service 6.1.17 and 6.3.17 were consolidated into action/service 6.1. Actin/service 6.2.17 remained the same in the new plan with the addition of the <i>iDashboard</i> and renamed action/service 6.2. Action/service 6.4.17 became action/service 6.3 in the new LCAP plan.

Goal 7

Increase student academic success through attendance, responsible behavior, positive attitudes, increased graduation rates, and preparation for college and career.

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 7.1.17

Actions/Services	PLANNED Implement/maintain district and/or site supported student recognition programs such as: Renaissance, Honor Roll, National Honor Society, Student of the Week, It's a Gas to go to Class.	ACTUAL The district has support several student recognition programs including the District Science & Engineering Fair, History Day, Skills USA, Student of the Quarter and It's a Gas to go to Class. The school sites held additional recognition celebrations ranging from honor roll to perfect attendance. The district utilized alternative funding for materials and student registration fees for the various event. School sites utilized site budgets to support the recognition programs and did not find a need to use district Title I funds.
	BUDGETED \$10,000 District Res.3010 Obj. 4310 Mgt.LC07	ESTIMATED ACTUAL \$628 Res.0000 Obj. 5886 Mgt.0000 \$17,096 Res.0965 Obj.5886 Mgt.LCOP
Expenditures		

Action 7.2.17

Actions/Services	PLANNED Expand alternative education programs for all levels of students.	ACTUAL The district is still in the planning stages to expand the alternative education program but has made an impact on greater student access this year through GradPoint. The Goodwill Education Center provided additional access to electives to support students earning credits to return to the comprehensive high school on track to graduate. The funding budgeted for teacher salaries we not used due to the fact the facility was unable to accommodate additional staff. The district considered moving the alternation education program to a larger district property but due to budget constraints, this move was placed on hold. The plan to create a flexible schedule to accommodate more students and staff is being designed and prepared or implementation

		in 2017-2018. Students attending the alternative program were provided additional counseling support through counselor extra duty.

		school year as the Public Engagement Information Manager. The funding was incorrectly identified with Goal 3.
BUDGETED	\$57,250 Res. 0400 Obj. 2313 Mgt. LC07 \$22,631 Res. 0400 Obj. 3xxx Mgt. LC07	ESTIMATED ACTUAL \$61,256 Res. 0400 Obj. 2313 Mgt. LC07 (LC03) \$17,579 Res. 0400 Obj. 3xxx Mgt. LC07 (LC03)

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Actions and Services for Goal 7 were generally implemented as planned with a few exceptions. Action/service 7.3.17 was not implemented; however, it remains an important action/service in our LCAP. Action/service 7.6.17 and 7.8.17 were partially implemented. The behavior expectation matrices were completed by school sites but not integrated into a district –wide descriptive matrix. The data expectation for action/service 7.8.17 was reviewed quarterly rather than monthly.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	When in engaging in a comprehensive overview of Goal 6 actions and services, the district must continue to have a strong focus on the alternative education center to increase the opportunities for students to graduate on time. Data reviewed through the California School Dashboard on graduation rates revealed all target student populations were graduating below the county and state levels. The district EAMO for graduation rates was not met. An additional area of focus, is the actions/service that support student behavioral expectations. This includes the continued development of a district-wide descriptive matrix and completion of the plan for district-wide implementation of PBIS.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	Material differences in estimated actual and budgeted expenditures were primarily due to site access to funds to pay for substitutes and transportation (see action/service 4.5.17). Budgets designated for actions/services 7.2.17 was partially spent on the online credit recovery program GradPoint but the money allocated to increase staffing was not utilized. Action/service 7.5.17 was accomplished through the use of Title II funding for counselors and site funding when applicable. For action/service 7.7.17, the primary expenditure was for substitutes and most site team costs were funded through their Title I allocations.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The majority of the actions and services in Goal 7 remain in place with minor modifications. New LCAP action/service 7.1 embeds 7.2.17, 7.3.17; new action/service 7.2 is new action/service; new action/service 7.3 is anew action/service; 7.4 replaces action/service 7.9.17; new action/service 7.5 consolidates 7.6.17, 7.7.17 and 7.8.17 through the services provided for comprehensive student support; new action/service 7.6 replaces 7.1.17; 7.7 and 7.8 are new actions/services.

Goal 8

Ensure comprehensive safety standards for constantly evolving needs district-wide to include security and facilities.

ESTIMATED ACTUAL
\$0

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Actions and Services for Goal 8 were implemented and will continue to be an area of focus in the new LCAP plan. The data collected from the three WestEd surveys in general demonstrates the district is meeting our goal of increasing a sense of safety and wellbeing. Safety plans are continuously being reviewed and approved by the governing board. Safety training is provided through on-site and web-based programs. The safety committee is still in the organization stages and the next steps of including additional stakeholders and community organizations are a priority for the upcoming year.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	When in engaging in a comprehensive overview of Goal 8 actions and services, the district must continue to focus on student and staff safety with an understanding regarding student physical safety and socioemotional well-being. Although the parent survey and staff survey demonstrated growth in areas such as a safe place to work and learn and clear communication of student expectations, there are areas reported in the California Healthy Kids survey that shows continued need for improvement. Student data demonstrated a decline in the perception of school safety in grade 7 and 9 but increased for grade 11. Harassment and bullying declined for grade 7 and 11 but increased for grade 9. The areas in which the district demonstrated an increase of student concern will be used to modify the actions and services for the 2017-2018 school year.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	No material differences are reported due to the fact there were no budgeted expenditures for this goal.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	The majority of the actions and services in Goal 8 remain in place with minor modifications. New action/service 8.1 includes and expands actions/services 8.1.17, 8.2.17, 8.3.17, 8.5.17, 8.6.17 8.7.17 and 8.8.17. New action/service 8.2 replaces and expands action/service 8.4.17. Actions/services 8.3 and 8.4 are new.

Stakeholder Engagement

LCAP Year ☒ 2017–18 ☐ 2018–19 ☐ 2019–2020

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Introduction: The Victor Valley Union High School District is committed to the involvement of all stakeholders in the development of the Local Control and Accountability Plan. The LCAP, as well as the district Strategic Plan, reflect creativity, diversity and commitment to raise levels of student achievement. Both plans prepare our district's students for college and career. The Victor Valley Union High School District used a variety of activities during meetings to involve stakeholders in the LCAP process, including discussion and review of goals, district data and the proposed action and services.

Parent, Staff and Community Engagement:

1. The Victor Valley Union High School District has established a Local Control & Accountability Plan (LCAP) Advisory Committee that is held in an open forum format. The group consisted of community members, board members, parents, students, teachers, counselors, classified staff, and administration. The district had several parents attend the LCAP Advisory committee consistently, representing English Learner, Foster youth, Advanced Placement, African Americans and socioeconomically disadvantaged. The LCAP Advisory Committee attendance ranged from 25 to 40 people every meeting. The LCAP Advisory Committee met 12 times on the following dates:

- October 27, 2016
- November 15, 2016
- December 14, 2016
- January 12, 2017
- February 9, 2017
- February 23, 2017
- March 8, 2017
- March 23, 2017
- April 13, 2017
- April 27, 2017
- May 16, 2017
- June 5, 2017

The agenda for every meeting included a team building activity as well as data review. Presentations to the committee were provided by district staff including the Coordinator of Career Technical Education, the district foster youth liaison, and the district librarian on topics such as CTE student enrollment, career pathways, foster youth enrollment, low income student needs, Advanced Placement enrollment, and exam pass rates. The LCAP Advisory committee meetings from April through May focused on data review and the review of the district goals and proposed actions and services. The final LCAP was presented to the LCAP Advisory Committee on June 5th, 2017.

2. Community Forum meetings regarding the Local Control Funding Formula and the district LCAP process was presented to the school sites and community on May 22nd

and May 23rd. The plan goals were presented to the attendees and information was provided on how to provide comments, suggestion and general feedback on the plan through the posting of the plan on the district website. The comments will be collected and provided to the Superintendent for written response if applicable prior to the June 22nd Public Hearing of the LCAP.

3. School site review of the LCAP goals, actions and services took place at specific School Site Council Meetings and ELAC meetings through the year. Each school site presented LCAP information in the month of October and November and provided the LCAP Advisory Committee meeting dates if they would like to further participate in the process. Lakeview Leadership Academy requires LCAP to be a standing agenda item on their Monthly School Site Council meeting the 2nd Tuesday of every month. Adelanto High School integrated the LCAP Goals, Actions and Services into 6 SSC meetings and how the district LCAP aligns with the school site Single Plan for Student Achievement.
4. District parent meetings were held and the LCFF and LCAP were presented at the English Learner Advisory Committee (DELAC) on October 19, 2016 and the District Advisory Committee (DAC) on February 22nd. The parents in attendance we engaged in conversation about their specific thoughts and ideas about proposed services they felt should be in the new plan that would benefit their students and schools.
5. The district LCAP Implementation Team met twice to ensure the actions and services were being monitored and implemented in the current LCAP plan and to provide feedback for proposed changes in the plan revision. The meetings were held September 26, 2016 and October 5, 2016.

Student Engagement:

The student voice in the LCAP is a priority for our district. The students participated in the California Healthy Kids Survey (CHKS) in 2015-2016 as well as 2016-2017. In an effort to elicit feedback from students, five student forums were held which included over 140 students from diverse backgrounds and varying grade levels. In addition, the second annual food tasting student forum was held to provide nutrition services with information about which breakfast and lunch selections they felt would improve student response to food quality and taste district-wide. The forums were held on the following dates:

- November 14, 2016 – Victor Valley High School
- November 17, 2106 – Silverado High School
- February 22, 2017 – Adelanto High School
- February 24, 2017 – Goodwill High School
- March 3, 2017 – Hook Junior High School
- March 8, 2017 – District Board Room Food Tasting Event

During school site student forums, students were presented data from the CHKS and engaged in activity in which they provided feedback on topics such as school connectedness, safety, adult support, drug and alcohol use and mental health. The overall well-being of our students is important to ensure they are able to engage and learn in a supportive, safe school environment.

Governing Board:

As an integral part of the district governance team providing local accountability, the School Board has been involved in the LCAP development and approval process. The district LCAP Advisory Committee meetings were attended by a board representative who actively engaged with the committee members in the data analysis and group work.

- An LCAP update was presented on April 6, 2017 which presented information on the current progress of the actions and services as well as the progress the LCAP Advisory Committee was making on the plan revisions for 2017-2018.
- A Preliminary Review of the draft LCAP was held as an informational item on June 8th, 2017.
- A Public Hearing on the LCAP was held on June 22nd, 2017.
- The School Board Adopted the LCAP on June 28th, 2017.

LCAP Climate Surveys:

The district partnered with WestEd to administer three climate surveys this year, the California Healthy Kids Survey, California School Parent Survey and California School Staff survey. The survey results were shared with the LCAP Advisory Committee and provided to the school site principals to present at site parent meetings. The survey participation is below:

Parents responding – 564

Teachers/staff responding – 622

Students responding – 5,130

IMPACT ON LCAP AND ANNUAL UPDATE**How did these consultations impact the LCAP for the upcoming year?**

The input received during the process of engaging the stakeholder demonstrated the community's strong concern for the education of their children. Discussions surrounded the current actions and services and if 1) should they remain in place but be revised for improvement purpose, 2) should what is in place now but may be eliminated and 3) what are new ideas for the plan that is based on the data analysis throughout the year that support the eight state priorities and truly meet the criteria of being an improved or increased service for student achievement.

In general, the stakeholder feedback demonstrated that the district should ensure a strong focus in the following areas:

1. Improvement in academic achievement – State Priority 4
2. Improve campus climate and culture – State Priority 6
3. Improve access to educational technology district-wide with a strong focus on infrastructure – State Priority 2

These priorities resulted in important changes such as the following:

- Focus on comprehensive student support at a district level with consolidation services in one area under the supervision of a Coordinator of Comprehensive Student Support. (Incorporated into Goal 7)
- Decrease the student to counselor ratio through increased staffing in order to provide compressive college and career counseling and ensure student are being enrolled in an A-G course of study and/or CTE pathways. (Incorporated into Goal 4)
- Increase services for English Learners and Reclassified Fluent English Proficient students through professional development in strategies for teachers to increase the fidelity instruction of our EL population. (incorporated in Goal 1)
- Increased technology infrastructure and student access to technology district-wide and establish equity of technology at school sites. (incorporated in Goal 1)
- Continue to provide coaching support for teachers at the school sites and in the classrooms to support the implementation of the California State Standards and the newly purchased curriculum. (incorporated in Goal 5)
- Increase communication between parents and school staff while providing additional support to parents through the use of parent centers and Family Engagement Liaison. ((incorporated in Goal 2)

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

☐ New

☐ Modified

☒ Unchanged

Goal 1

Increase the number of students who graduate, on time, with viable college and career options.

State and/or Local Priorities Addressed by this goal:

STATE ☒ 1 ☒ 2 ☐ 3 ☒ 4 ☒ 5 ☒ 6 ☒ 7 ☒ 8

COE ☐ 9 ☐ 10

LOCAL Strategic Plan Strategy 3 Specific Result 1

Identified Need

1. California School Dashboard data indicates graduation rate is below state levels and there is a need to increase the number of students graduating on time.
 - VVUHSD will increase the graduation rate for all students by 5% (2016-2017)
 - Increase CTE and Career pathway options for students to prepare for college & career.
2. Graduation rates for target group are below district average.
 - VVUHSD will works towards a 2% increase in graduation rate for the following target groups: Hispanic, African American, White, English Learners, Special Education, and Low Income/Foster Youth (2016-2017)
 - Reduction in the Dropout rate by 2% for all target groups
 - Increase in A-G Completion rate by 5% or meet/exceed state average of 45.4%
3. District Attendance rates are below target of 98%.
 - Increase pupil attendance by .5%
4. California School Dashboard Suspension Data indicates the district is in the “very high” category according to the rubric and there is disproportionality with target groups.
 - Reduce the number of suspensions by 3% district-wide and for all target groups.
5. The number of students enrolling in Advanced Placement and passing an Advanced Placement Exam is below state levels.
 - Increase enrollment in AP Courses by 2%
 - Increase AP pass rate by 2%
6. The college and career indicator is not available but the district qualitative data supports the fact that fewer student are entering directly into a college after high school.

- School sites will begin to develop a process to monitor the rate of college bound pupils
7. California School Dashboard data indicates students are performing below level 3 in ELA by 42.6 points and by 92.3 in math.
 - VVUHSD will increase by 3% the pupils attaining proficiency (level 3) as measured by CAASPP in grades 7, 8, and 11 in ELA and Math
 8. California School Dashboard Data indicates English Learners are performing below district-wide levels in ELA, Math and Graduation rate indicators.
 - Increase English Learner progress towards proficiency in English and math.
 9. District local data indicates there are a large number of students receiving a grade of “D” or “F”.
 - Decrease by 3% the number of pupils receiving a letter grade lower than C- in both ELA and Math

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20

Goal 2

Develop a family engagement and support program to educate families, parents and guardians about students' post-graduation options. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☒ 3 ☒ 4 ☒ 5 ☒ 6 ☒ 7 ☒ 8

COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

1. VVUHSD needs to increase parent/guardian participation at both the site and district level in order to increase student achievement and student attendance rates. Attendance rates at parent events are low as marked by attendance logs.
 - VVUHSD will increase the graduation rate for all students by 5% (2016-2017)
 - Increase CTE and Career pathway options for students to prepare for college & career.
 - VVUHSD will works towards a 2% increase in graduation rate for the following target groups: Hispanic, African American, White, English Learners, Special Education, and Low Income/Foster Youth (2016-2017)
 - Reduction in the Dropout rate by 2% for all target groups
 - Increase pupil attendance by .5%
2. Research shows the importance of participate participation to have a positive impact on student success California School Dashboard data indicates students are performing below level 3 in ELA by 42.6 points and by 92.3 in math.
 - VVUHSD will increase by 3% the pupils attaining proficiency (level3) as measured by CASPP in grades 7, 8, and 11 in ELA and Math
 - Decrease by 3% the number of pupils receiving a letter grade lower than C- in both ELA and Math
3. Educating parents/guardians about college entrance requirements and applying to college will impact student college and career success.
 - Increase AP enrollment
 - Increase AP pass rate
 - Increase the number of student meeting A-G requirements.
 - Increase acquisition of English proficiency for EL students.

Goal 3

Provide and encourage extensive career exploration opportunities through increased elective offerings and academic guidance. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☒ 5 ☐ 6 ☒ 7 ☐ 8

COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

1. VVUHSD need to improve and increase the opportunities for our students to explore greater career related fields.
 - Maintain and/or increase CTE and Career pathway options for students to prepare for college & career.
2. Research indicates the greater the engagement and attachment to a school, the less likely a student is to drop out.
 - Reduction in the Dropout rate by 2% for all student groups
 - Increase pupil attendance by .5%
3. The district recognizes a need to increase counseling and guidance for students interested in exploring career opportunities beyond graduation.

Goal 4

Expand interventions to graduate students, on time, prepared for college and career. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☐ 3 ☒ 4 ☒ 5 ☐ 6 ☒ 7 ☒ 8COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

1. VVUHSD recognizes the need to intervene for our at risk students of all student groups. Research shows that grade 7 and 9 are pivotal years for student achievement. District data indicates that a large number of students are at risk in math. District Data indicates a high of D and F grades in Math and ELA. Focus areas to increase student achievement must support state indicators.
 - Increase the number of pupils attaining proficiency as measured by CASPP in grades 7,8, and 11 in ELA and Math by 3%
 - Reduce the number of students receiving a letter grade of lower than a C- in ELA or Math by 3%.
 - Increase pupils enrolled in A-G classes by 2%
 - Increase enrollment in AP Courses by 2%
 - Increase AP examinations pass rate by 2%
 - Reduce VVUHSD Dropout rate by 2%
 - Reduce Chronic Absenteeism by 1%

Goal 5

Establish a collaborative culture amongst stakeholders for systematic, ongoing and supportive professional development to ensure student achievement and growth through highly qualified staff. (SP)

[State and/or Local Priorities Addressed by this goal:](#)

STATE ☒ 1 ☒ 2 ☐ 3 ☒ 4 ☒ 5 ☒ 6 ☒ 7 ☒ 8
COE ☐ 9 ☐ 10
LOCAL _____

[Identified Need](#)

Provide high quality professional development for all staff to ensure safety, quality first instruction, common core instructional shifts, increased student access to California State Standards and frameworks, and improved career and college counseling for our students. VVUHSD's online PD survey indicates a desire by stakeholders to continue to experience professional development opportunities in the area of rigor, technology and EL support strategies. Certificated and classified staff require training to stay current and facilitate student achievement.

- Increase by 3% of pupils attaining proficiency as measured by CAASPP in grades 7, 8, and 11 in ELA and Math
- Decrease by 3% the number of pupils receiving a letter grade lower than C- in both ELA and Math
- Increase pupils enrolled in A-G classes by 2%
- Increase enrollment in AP Courses by 2%
- Increase AP pass rate by 2%
- Reduction in the Dropout rate by 2% for all student groups
- Increased sense of well-being for students
- Increase percentage of observed instruction of standards and common core instructional shifts

PLANNED ACTIONS / SERVICES

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

Action **5.1**

For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served

☒ All ☐ Students with Disabilities ☐ Specific Student Group(s) _____

Location(s)

☒ All schools ☐ Specific Schools: _____ ☐ Specific Grade spans: _____

OR

For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served

☐ English Learners ☐ Foster Youth ☐ Low Income

Scope of Services

☐ LEA-wide ☐ Schoolwide **OR** ☐ Limited to Unduplicated Student Group(s)

Location(s)

☐ All schools ☐ Specific Schools: _____ ☐ Specific Grade spans: _____

ACTIONS/SERVICES

2017-18

☐ New ☒ Modified ☐ Unchanged

Establish various Adhoc professional development committees that empowers stakeholders in the planning, implementation and coordination of professional development opportunities. Provide extra duty for staff to attend committee meetings beyond the contractual day.

2018-19

☐ New ☐ Modified ☒ Unchanged

Establish various Adhoc professional development committees that empowers stakeholders in the planning, implementation and coordination of professional development opportunities. Provide extra duty for staff to attend committee meetings beyond the contractual day.

2019-20

☐ New ☐ Modified ☒ Unchanged

Establish various Adhoc professional development committees that empowers stakeholders in the planning, implementation and coordination of professional development opportunities. Provide extra duty for staff to attend committee meetings beyond the contractual day.

ACTIONS/SERVICES

2017-18

☐ New ☒ Modified ☐ Unchanged

Provide professional development for counselors, teachers and administration (site and district) in areas that directly impact student achievement, effective data analysis, EL strategies, student wellness and alignment of district and site goals to the state priorities and indicators. Allow for consultants and conferences to provide expert professional development along with provide extra duty for staff to attend district designed professional development beyond the contractual day. Design a two day professional development program for certificated staff prior to the start of the school to reinforce best practices and curriculum alignment. Employ an evaluative inquiry process to monitor and guide district professional development.

2018-19

Goal 6

Establish district-wide uniformity in procedures, policies and materials to ensure effective implementation of district initiatives designed to increase student achievement. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☒ 1 ☐ 2 ☒ 3 ☐ 4 ☐ 5 ☒ 6 ☐ 7 ☐ 8

COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

The District Strategic Planning Committee have identified the need to streamline district procedures and practices to facilitate employee and parent ease in accessing information and training to better serve our stakeholders and in turn, foster greater student achievement.

- Reduction in staff and public concerns
- Reporting of an increase in climate by parent and staff based on the California School Staff Survey (CSSS) and the California School Parent Survey (CSPS) by WestEd.
- Williams quarterly report on instructional material, facilities and teacher assignment.

Goal 7

Increase student academic success through attendance, responsible behavior, positive attitudes, increased graduation rates, and preparation for college and career. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☒ 3 ☐ 4 ☒ 5 ☒ 6 ☐ 7 ☐ 8COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

Bush Foundation research shows that students who successfully complete high school should be in attendance at least 97% of the days. District data indicates that we have not met the 97% threshold at all sites. Survey data and committee discussions indicate a focus on student wellness and safety while fostering positive student / adult relationships on all campuses in an area of need. (SP) Student Forums and the California Healthy Kids Survey indicate a need to foster increased student / adult relationships. District self-evaluation also indicates a streamlining of student services programs such as expulsions, SARB, PBIS, and other CWA related job functions to address concerns about disproportionality and cultural proficiency.

- Increase PBIS participation at all sites.
- Foster Positive student /adult relationships
- Increase pupil attendance by .5%
- Reduce the number of suspensions by 3%
- Increase of graduation rate by 3%
- Reduction in the Dropout rate by 2% for high school
- Reduction in the Dropout rate by .5% for high school
- Increased sense of well-being for students

Goal 8

Ensure comprehensive safety standards for constantly evolving needs district-wide to include security and facilities. (SP)

State and/or Local Priorities Addressed by this goal:

STATE ☒ 1 ☐ 2 ☒ 3 ☐ 4 ☐ 5 ☒ 6 ☐ 7 ☐ 8COE ☐ 9 ☐ 10

LOCAL _____

Identified Need

In light of the San Bernardino terrorist tragedy, students and staff have a heightened awareness of the need to stay informed and trained in the event of an emergency.

Students communicated through the Student Forums a desire to increase safety. In order to strengthen site disaster plans, VVUHSD sees the need to increase preventative procedures.

- Increased sense of safety and well-being
- Increase in safety drills and practices

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year

☒ 2017–18 ☐ 2018–19 ☐ 2019–20

Estimated Supplemental and Concentration Grant Funds:

\$ 15,421,787.00

Percentage to Increase or Improve
Services:

17.65 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

The percentage by which, increased or improved services must increase, is estimated at 17.65% over the LCAP year. The Victor Valley Union High School District LCAP Goals, Action and Services recognizes the needs of these at-risk students that comprise approximately 83% of our student population based on socioeconomically disadvantaged data. The school sites support the LCAP goals by establishing their Single Plans for Student Achievement to align with the action and services and provide direct services. The district uses LCFF, and titled funds through the LCAP to support the school sites when implementing the actions and services such as supplemental instructional materials, career support staff, intervention teachers, intervention counselors, technology, contract college and career readiness support, parent engagement activities, support services targeting English Learners and Foster Youth, professional development, increased/extended learning opportunities (APEX online learning, Independent Study, summer school, etc) and academic enrichment such as college entrance exams prep, study trips and advanced placement tutorials. In addition, the district has allocated additional funding to continue the expansion of technology, increase targeted professional development for English Learners in instructional strategies and expanded student support for success through socio-emotional focus on PBIS, and other student wellness programs. All targeted actions/services are geared to increase student academic achievement and school connectedness.
