

ST. MARK'S
EPISCOPAL SCHOOL

Campus Closed: Lower School Impact

1st through 4th Grade

CAMPUS CLOSED

If a campus closure is necessary to contain the spread of COVID-19, **we will enact our Distance Learning protocols for everyone.** We have learned a great deal from our spring experiences, and we have listened to the valuable feedback from our community to make effective change from our spring trials.

In the Lower School, students will experience **daily synchronous lessons** within a schedule that considers developmentally appropriate amounts of screen time, collaborative experiences with peers, and **personalized instruction and guidance** from teachers.

Enrichment classes will be provided as asynchronous lessons embedded in the schedule.
