## Student Life: Athletics

**We are eagerly planning for our traditional full athletic program for Middle and Lower School students in the fall of the 2020-2021 school year.**

Since middle school athletics does not have a specific governing body, we will be monitoring and following all guidelines set forth by the National Federation of High Schools (NFHS), the University Interscholastic League (UIL), the Texas Association of Private and Parochial Schools (TAPPS) and the Greater Houston Athletic Conference (GHAC). These organizations give us guidelines in regard to which sports can and cannot be played, the implementation of wearing masks during competition, down to the number of practices and games that can be held in a season.
