

At Home. In the World.

July 13, 2020

Dear Parents/Guardians,

As part of our requirement to apply to be a Safe Sports School through the National Athletic Trainers' Association, we are required to inform and have parents or guardians acknowledge that they have read informational material about sudden cardiac arrest, brain injury/concussion, environmental risk factors, and weight and nutrition. Please contact the athletic training department with any questions or concerns.

Visit the Youth Sports Safety Alliance for statistics and information on sudden cardiac arrest, environmental risk factors, and weight and nutrition:

<http://www.youthsportssafetyalliance.org/sites/default/files/docs/Statistics-2013.pdf>

For the most up-to-date information on brain injuries and concussions, please click below:

<https://www.cdc.gov/headsup/youthsports/index.html>

Wilbraham & Monson Academy Athletic Training has partnered with Sports Safety International to keep you up to date on some of the most current sports safety educational programs available. We encourage our parents and students to view the programs at www.sportsafety.com

I, the parent/guardian, have read informational material about sudden cardiac arrest, brain injury/ concussion, environmental risk factors, and weight and nutrition. I understand if I have any questions or concerns, I may contact Erika Whipple at ewhipple@wma.us for further information.

Please email this completed form to us by August 1 to: forms@wma.us
