

Hybrid  
**Part-time Virtual and Classroom Setting**

**Will a Hybrid (part-time) Virtual School (at home) Instruction be a good fit for your student? Checklist**

- Does your student have a reliable way to get to and from school during the day when not learning virtually from home?
- Is your student self-disciplined and a highly motivated learner?
- Is your student able and willing to work on their own without immediate feedback?
- Does your student enjoy reading, writing, and communicating online?
- Does your student manage their time well?
- Is your student a competent computer user capable of finding his/her way around new applications and websites easily?
- Does your student have a well-lit location at home, free of interruptions/distractions, where he/she can work every day for at least 3-5 hours?
- Do you have a reliable Internet connection at home so your student can access courses and communicate with the instructor or classmates, and submit assignments?

If you answered "Yes" to these questions, the Hybrid (part-time) virtual learning from home offered through ARISE Virtual Academy may be a good fit for your student.
