For your summer assignment you will have two activities to complete.

Activity I: Maps

Please watch the following video:

[Why All World Maps Are Wrong](#)

Using the maps provided, locate and label each item on a map. You may complete the activity using the first map for Oceans & Seas, the second map for Rivers, and the third map for World Regions. You can print the maps out or if you are tech savvy, complete them electronically.

Label the world maps with the land and water features listed below in the color indicated.

*Creating a map legend will make it easier to label your maps.

Activity 2: Current Events

You are to create a newspaper (GoogleDocs and Microsoft have templates)

In your newspaper you will create an article about one country from each continent (excluding Antarctica) Ex: Germany, Europe

Articles must be at least one paragraph (no less than 10 sentences)

Each country should cover at least one of the following topics:

- Population & Migration
- Culture Patterns
- Political Patterns
- Agriculture
- Industrial & Economic Development
- City & Rural Development

Each article should have:

- Name/location
- Event
- Summary of event
- Picture
- Map

Works Cited (MLA Format) page must be included at the end of the newspaper for each article.

- Original source material (newspaper article, news segment, etc.)
 - Sources must come from reputable agencies. (CNN, MSNBC, FOX, BBC, Reuters, The Associated Press, The New York Times, The Wall Street Journal, The Washington Post, Al Jazeera, The Guardian, The Economist)
 - Note that all sources will have some form of bias.
- Pictures
- Maps
