## Virtual Speech Day

We very much hope that you enjoyed our Virtual Speech Day page on the school website.

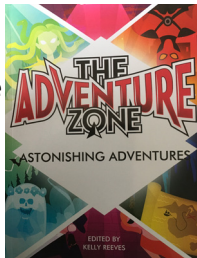

Prize winners' certificates, Year 8 PSB certificates and YMAS and colours badges are now available for collection from School Reception. We are, however, still waiting for delivery of our ski colours badges and we will send these on when they arrive.

Please note that Reception is only open between 9.00am and 12.00 noon during the school holidays.

If any Yateley Manor parents did not receive the email with the link to the Virtual Speech Day page please email [penny@yateleymanor.com](mailto:penny@yateleymanor.com). The page is intended for Yateley Manor families only and will be available until the start of the Autumn Term 2020.

## 100 Word Story Success

Congratulations to **Ben Cooper, Matteo Drago, Alastair Gibbs and Eloise Macoraghty-Mines** who had their 100 word stories published in a Young Writers' Anthology.

## UK Maths Challenge

We have received another excellent set of results from the Yateley Manor pupils who took part in the UK Mathematics Trust's Junior Maths Challenge. Over 260,000 pupils sat the challenge this year with 21% receiving a bronze certificate, 13% silver and top 6% gold.

Bronze: **Olivia Baker, Daniel Brown, Poppy Everest, Megan Hancock, Rory Minson, Ryan Tan**

Silver: **Zen Aizawa, Robin Hawksley, Joe Lockwood, Dan Nenguke**

Gold: **Leo Ramkissoon**

Well done to all the children for giving their best and congratulations to **Leo** for achieving Gold. Due to the current situation, the UKMT is unable to run follow-on rounds this year.

## Have a Wonderful Summer

We were delighted to be able to invite all year groups back to school for the final week of term for our Wellbeing Week and it was lovely to see so many children in school.

The staff put together plenty of interesting activities and we know that children and staff really enjoyed being together again, albeit in a different format. The children were incredibly sensible and did really well at sticking to the new regime.

We wish all our pupils, staff and their families a wonderful summer break and look forward to welcoming the children back to school on Thursday 3rd September.

Our very best wishes to all the children who have left us to relocate or to start at their new senior schools.

## Virtual Sports Day Results

The feedback from our first (and hopefully last) virtual sports day has been incredibly positive both from children who were in school and those who took part at home. The Pre-Prep and Nursery children held their own events in school and a total of 231 children from Years 3 to 8 took part in the Prep activities either at home or at school. The calculations have been done and the results of the house competition are as follows:

1st	Kingsley
2nd	Fyson
3rd	Stanley
4th	School

Congratulations to **Kingsley** and well done to all the children who took part.

## Year 7 Normandy Trip

We have taken the difficult decision to postpone the Year 7 trip to Normandy which usually takes place during the Autumn Term.

With the uncertainty surrounding what the coronavirus situation will be in September we felt that this is the safest thing to do. We very much hope to be able to reschedule the trip for the Spring or Summer term when things are clearer and a little more settled.

We are really sorry to disappoint the children.

## Charity of the Year

Activities during the school year have raised a total of £2,551 for this year's Yateley Manor Charity of the Year, Babies in Buscott Support (BIBS).

Thank you to everyone who helped us raise this money for our charity. We are very proud to have been able to support them.

## School Fee Accounts

Pupil Fee Invoices will be sent this week by email. If, for any reason, you don't receive an invoice, please send an email to [finance@yateleymanor.com](mailto:finance@yateleymanor.com). Thank you.

## Helping Others

Many of our children have become aware during Lockdown that they are able to make a difference to other people. Here are three examples:

The socially distanced games morning organised by **Charlie Sutton and James Stuart-King** along with James' sister, **Hannah**, who will be joining Yateley Manor next term was a fantastic success. The trio thought up the games themselves, created a poster, a booking system and social distancing guidelines. They had plenty of bookings and raised a fantastic £250 for Help for Heroes. Well done to all three

**William Auchterlonie** will be walking part of the North Downs Way to raise money for Cancer Research UK. William was inspired by the Headmaster's suggestion during a Daily Message that the children challenge themselves and, having heard that the parent of one of his friends has cancer, decided to take on the 20 mile walk during the summer. If you would like to support William please visit his [Just Giving Page](#). Good luck **William**, we look forward to hearing how you get on.

**Sarah-Jane Butler** has this year been the mentor for the Years 3 and 4 choir. Junior Manor Singers. During the Lockdown period she thought that the children would be missing singing as a group so she created some videos for the Year 3 and 4 Music lessons. These included warm-up exercises with Sarah-Jane at her piano. She also taught each year a song using call and response as well as actions. The Year 3 song, "Just Like a Roman" was linked to their work on Romans and the Year 4s learned a Polynesian song called "Tongo". The children really enjoyed these sessions. Well done **Sarah-Jane**.

## Gum Shields for Next Year

All children in Years 3 upwards must wear a mouth guard/gum shield for playing hockey and rugby. Boil and fit gum shields are available from sports shops and the School Shop. Some parents prefer to purchase gum shields which are professionally fitted and offer a greater level of protection (not recommended for children in Years 3 and 4 because their teeth change so quickly) and these can be organised through your dentist.

Girls in Year 3 upwards will need gum shields for the first day of the school year in September, whilst boys in Year 3 upward will need them from November. Please note that children without a mouth guard will not be able to represent the school in rugby or hockey teams and will only have limited access to elements of training sessions.

## Year 7 Girls' Skirts

Girls moving to Year 7 need to place an order for their black skirts. Please send an email to [shop@yateleymanor.com](mailto:shop@yateleymanor.com) as soon as possible indicating waist and length in inches. Many thanks.

## Lost Property

**Sam Summers** has lost his named red school coat. Would parents please check the coat that you have at home in case your child has picked up the wrong one by mistake. Thank you.

## School Trainers Colour Reminder

Parents are reminded that trainers worn at school for sports must be **predominately** white as stated on the school uniform list. A large number of multi coloured trainers have been worn this term which are not correct school uniform.

## Uniform for Next Year

Due to the current COVID 19 social distancing restrictions and the limited space within the school shop, we are unfortunately unable to operate the uniform shop in the normal way. Parents have been sent an email regarding buying uniform by mail order from the shop. Details are on the [school website](#) along with a downloadable order form.

## Holiday Care

We are delighted that the Yateley Manor holiday care for children from Nursery through to Year 8 was able to start in week commencing 13th July.

In order to operate we have had to make a few adjustments to the provision that we normally offer. Bookings are only available for fully weeks and both the Nursery and Multi Activity holidays will only be open between 8.30am and 4.00pm. The children will be in age group bubbles so we are limited in the number of each age group that we can accept. Children of all ages will need to bring their own lunch and snacks. Full details can be found on the booking site.

Bookings for each week will close at 5.00pm on the Thursday prior to the start of the week. A link to our booking site can be [found here](#).

## Pebbles

If children did not have time to paint their pebbles before the end of term, they will be able to drop them off until the end of the summer holidays. Please remember that School Reception is only open between 9.00am and 12.00 noon during the holidays.
