

DHMS iPad Norms

No gaming between 8am-3pm.

Use only specific games when directed by a teacher.

iPads closed until the teacher directs you to use it.

Example: Please don't walk through the hallways or into the classroom playing on your iPad. Come to class with a focus on learning, and not in a digitally distracted mindset.

Must be under digital supervision at the request of any DHMS Staff Member

This means you must be connected to the INTERNAL network and have Bluetooth on.

Use only your own iPad

Use your first and last name to represent yourself in the digital environment.

Communicate in a responsible, respectful and kind manner with others.

This statement comes from the iPad User Agreement. You and your parents signed this agreement.
